ARTICLE 1. This Association shall be known as the Montgomery Baptist Association.

ARTICLE 2. The purpose of this association shall be the promotion of Christ's Kingdom among men. The means of accomplishing this shall be in conformity with the New Testament under the leadership of Christ.

Our goal in accomplishing this purpose shall be to nurture harmony in faith and practice among the member churches; to promote missions within the association by calling churches to support local, state, national and foreign missions; providing opportunities for working together in missions, ministry, growth and training in evangelism. This should be done by enlisting the member churches in a spirit of love and cooperation that the gospel of our Lord Jesus Christ might be proclaimed effectively in our association, state, nation and around the world.

ARTICLE 3. This Association shall be composed of: (1) three messengers from each cooperating church of 100 members or less and one additional messenger for each 100 members or fraction thereof above the first hundred except that no church shall have more than ten messengers; (2) all active pastors of churches in the Association; (3) all officers of the Association; (4) the Associational Director of Missions; (5) all members of all standing committees of the Association.

ARTICLE 4. It is understood that each church in cooperation with the Association is independent and sovereign in its own affairs, and the Association has no authority over the churches, except of an advisory nature.

ARTICLE 5. The Association may invite visiting and corresponding brethren to seats, and extend to the privileges of the body, except that of voting.

ARTICLE 6. The Association shall not maintain fellowship with any of the churches which fail to observe Gospel order.

ARTICLE 8. Any church in cooperation with the Association, failing for two consecutive years to report by letter to the Association shall be considered no longer in cooperation with the Association until reinstated by common consent of the Association in regular or special session.

ARTICLE 9. The messengers from each Church shall bear a letter certifying their appointment, and communicating information relative to the state of the church. Provided, however, that when any church has prepared a letter and through inadvertence the letter fails to be presented, her messengers may be received without its presentation.

Associational Council Report

(Ben Hall)

The Associational Council has met on a regular basis for the year. Their objective has been to actively seek to achieve the goals set forth in the long range plans.

We can rightfully say that we have done well, and sought to keep on track to reach those goals.

One such goal was to employ a part-time office secretary and part-time Church and Community Ministries Director. These goals were achieved with the employment of Mrs. Vernie Rhodes.

We have also sought to establish a calendar of activities for the association. We plan to have a better calendar of activities planned for the association in the near future.

Another area where we have made great strides in in the "Sharing Place." Mrs. Vada Whitaker has given many hours of valuable service in the work of the Sharing Place. In September we began a move, with new space on the front street level to meet the needs of people in a greater way. We are happy to say the "bugs" of the new location are being worked out, and I appreciate the many hours volunteers have put in hard work with the "Sharing Place."

As we enter a new year, we set our target to continue to reach the goals of our long range plans.

Youth

(Larry Rhodes)

During the past year, the youth of our association have had two major activities that were well supported.

First, in May, the youth were brought together at Biscoe Park for an afternoon of fun and fellowship. There were over 100 there and the young people participated in many sports competitions. A hot dog dinner was served and Bible Trivia followed. These young people had been busy for several weeks studying and getting ready for this event.

Constitution Committee Report

The Constitution Committee of the Montgomery Baptist Association recommends that the following changes be made to our constitution on this 23rd day of October, 1991.

ARTICLE 2. The purpose of this association shall be the promotion of Christ's Kingdom among men. The means of accomplishing this shall be in conformity with the New Testament under the leadership of Christ.

Our goal in accomplishing this purpose shall be to nurture harmony in faith and practice among the member churches; to promote missions within the association by calling churches to support local, state, national and foreign missions; providing opportunities for working together in missions, ministry, growth and training in evangelism. This should be done by enlisting the member churches in a spirit of love and cooperation that the gospel of our Lord Jesus Christ might be proclaimed effectively in our association, state, nation and around the world.

ARTICLE 16. Section 5. The associational office shall be under the direct supervision of the Director of Missions in cooperation with the Associational Council and the Executive Committee.

ARTICLE 17. The purpose of the CCM Director is to assist the churches in the Association to participate in Christian Ministries in the church field area and to assist in the ministries of the association.

The Church and Community Ministries Director (CCM) is to work with the Director of Missions in seeking to minister to the churches and community which the churches serve, seeking to discover areas of needs. The CCM Director is to help churches design a program to minister to the needs in the community; to become familiar with all local agencies to which referrals are made; to coordinate the work of the Sharing Place.

The CCM Director is to work under the supervision of the DOM and be a part of the Associational Council.

The relationship between the Association and the CCM Director may be terminated by either party upon the giving of a thirty day notice.

All subsequence numbers will be increased by one.

ARTICLE 18. The association shall elect committees as needed to plan and carry out the work of the association. A nominating committee shall nominate officers, denominational representatives and other committees. These committees shall serve on a three year rotating basis beginning 1990-1991 Association year. To start the rotating system, one committee member shall serve (1) one year, one committee member shall serve (2) two years, one committee member shall serve (3) three years. All nominees for officers, denominational representatives, and committees shall be contacted before being nominated to get their consent to serve if elected. It is understood that nominations may be made from the floor for all positions to which persons are nominated.

ARTICLE 21. The Constitution may be amended at any annual session by a vote of two-thirds of the members present, providing notice has been given on the first day of the Associational meeting.

ARTICLE 23. The Association shall have an Associational Council to work with the Director of Missions, under the oversight of the Executive Committee. The chairman of this committee shall be the Director of Missions.

Curtis Blake, Chairman
Frances Martin, Harold Whitaker

Next, Witness was a huge success again this year. The evening was well attended, total attendance 210--the best ever!

At this time plans are underway to coordinate our church youth groups to attend the Dawson McAllister Student Conference in Rockhill, South Carolina at Winthrop Coliseum. A large number of our youth are expected to join with several thousand other young people for a weekend of study, fun, and making new friends.

Youth Day will be included in plans for the coming year also. Possibly to be combined with an evangelism effort for our young people.

This past year many devoted youth leaders in our churches made the planning and carrying out of events a reality. Without dedicated leaders, our young people will not have opportunities offered to them. Thanks to all of you who worked so faithfully in 1990-91 and welcome aboard to all new leaders for 1991-92. It's going to be a great year!

Discipleship Training

(Virginia Blake)

To begin our year of 1991, we had "M" Night at Troy First Baptist with 36 present. On March 2nd, at Biscoe First there was a Discipleship Training Conference with nine churches represented, and 12 people in attendance. In August, three Discipleship Training Council members attended a leader training workshop at Ridgecrest. Those attending were Rev. Warren Gilpin, Mrs. Linnie Comer and myself. On September 19th at Troy First, Rev. Harold McDonald conducted a conference for deacons and wives. Five churches were represented with 18 in attendance.

We seem to have forgotten our responsibility as Christian. We are to be disciples. Can we bear to see all the temptations around us and sit idly by and see our children, grandchildren and friends destroy themselves? Nothing costs as much as caring. . . except not caring. If Jesus cared enough to die for every soul, you and I can afford to join Him in their rescue. We need to realize the need for Discipleship Training, what it can do to help our people understand and cope with whatever befalls us. If we work for the Lord. . . the pay may not be much, but the retirement plan is out of this world!

Church Music

(Mark Hill)

Church music is a source of inspiration, service, outreach and fellowship for each local church. Associational Church Music can involve each of those same elements as we work together on a large scale to share Jesus Christ through music.

This past year in our churches we have experienced some real growth in the areas of church music. The largest increases have come in our children and youth choirs! The number of youth singing in a choir this past year almost *doubled* to give us a total of 100 youth in choir! Children's choirs enrolled 133 and adult choirs totaled 333 persons involved. Overall we lost a few vocal and instrumental ensembles, but as a whole we have seen some wonderful growth in our church choir programs!

Also, we saw our churches come together to form an Associational Adult Choir and an Associational Youth Choir. Both groups sang in May for an Associational Rally at Laurel Hill Church.

We look forward to more good reports from our churches this coming associational year and look forward to another year of working in church music!

Church and Community Ministries Report

(Vernie Rhodes)

With only two months behind me as your Church and Community Ministries Director, it is difficult to give a measure of the work accomplished to this point.

The churches of the Montgomery Baptist Association have had for several years a clothing closet, The Sharing Place. This ministry, located in the lower level of our associational office, has aided many families during the past year. We have experienced a great need to have more space to handle the flow of people and clothing. In the past several weeks space became available next door to the office in which to relocate The Sharing Place (215 N. Main Street). Work is underway to set up the display racks which were donated to us and to transfer the clothing. Grand Opening and Dedication is scheduled for mid October.

There are many people to thank for their hours of service given to the ministry of The Sharing Place. The moving of, and the operation of The Sharing Place would not be possible without their help.

Most of all, let us thank God for allowing the changes that are unfolding at this time.

I have become aware of so many needs around us in these past weeks. I had not considered the major number of people who are right here within our reach needing more than clothing. Nearly every day there are people coming in who have need of food, who need housing, who need to be aware of assistance programs already in existence to help them.

With God's help and the cooperative help of our churches, the Montgomery Baptist Association will expand in ministries to meet the challenges set before us.

Evangelism Report

(Curtis Blake)

One of the highest priorities in our churches should be in evangelism, if we are to be obedient to Christ. In 1990, our 29 churches baptized 122 precious souls. That averages out to four baptisms per church. Seventeen of our churches baptized three or less. Five churches reported no baptisms. Our resident membership for the churches is 3,722. The figures tell us that it takes 31 resident members, one year, to win one person to Christ. We must do a better job if we are to grow strong evangelistic churches.

This past year, we have made opportunities available for our pastors and laypersons to learn how to share their faith. On March 23, we conducted a one-day soul winning seminar at First Baptist Church, Troy. The seminar was designed to train people on how to share their faith on a one to one basis. The number of pastors and laypersons attending was disappointing. However, we are planning another seminar for the spring of 1992. Pastors, please help us get the people there to learn to witness for our Lord.

The First Baptist Church in Troy was the gathering place for our Annual Evangelism Conference on September 17. Dr. Joe Brown, senior pastor from the Hickory Grove Baptist Church in Charlotte, brought a challenging message on personal soul winning.

The Victors Quartet from Asheboro brought the special music. One of the highlights of our conference was the recognizing of Prospect Church as the "Outstanding Church in Evangelism" for our Association in 1990. The church received a plaque for leading the association in baptisms. A plaque will be given each year to the church that baptizes the greatest number of people.

We are planning another great conference next year. The date will be September 15, 1992. Pastors, please keep this date in mind when scheduling your revivals for next year.

Let me encourage every pastor to observe Soul Winning Commitment Day in your church on Sunday, January 12, 1992. Preach a message on soul winning and lead your members to be soul winners. Materials will be mailed to you soon from the State evangelism office, to help you make this special day a success in your church.

Greensboro will be the site for our State Evangelism Conference, February 3-4, 1992. This will be another opportunity to lead our churches to get involved in evangelism. Please make plans to bring a group from your church to hear some of the greatest speakers in our Convention challenge us in doing a better job in evangelism.

Thank you for allowing me the opportunity of being your Association Evangelism Director this past year. It has been a challenging assignment to encourage all of us to be faithful in carrying out the Great Commission in our churches and communities. Jesus did not give us an option about witnessing to lost people. He said, "You shall be witnesses to Me" (Acts 1:8). Let us commit ourselves to doing the job He has called us to do this coming year. Please lead your church to set a high priority on evangelism in 1992, and pray for me as I accept the challenge to direct you in accomplishing this task.

Woman's Missionary Union Report

(Shirley Hall)

The purpose of the Woman's Missionary Union is to promote and support *missions*, to help our churches to fulfill its *mission*, and to lead in *mission* education.

During the year 1990-1991, our WMU leaders have been "empowered" from on high to take on the task to keep missions alive in their churches.

In October, each Baptist Women organization in the association was asked to give $25.00 to help with the "Meals On Wheels." Over $300.00 was received for this project.

The annual Christmas Pounding sponsored by the Associational WMU Council was well received. Eighteen boxes of food was distributed to 18 families. Three large boxes were sent to the Hispanic Center in Candor to be used as the need arises.

On April 11, Linda Todd, Acteens Coordinator for the State WMU, met with the WMU Council to listen to our assessment of the work of our WMU in the association.

The 84th WMU Annual Meeting was held at Forks of Little River on April 18. Our guest speaker was Mrs. Lonnie (Connie) Reynolds, SBC missionary to Spain. A mini shower of needed items was collected from several BW organizations for the Baptist Home in Albemarle. A representative from the Baptist Home shared how she ministers in the Home. Sixty-six people were present from 11 of our churches.

Ten Baptist Women organizations participated in the Literacy Project along with the Episcopal Churchwomen of St. Mary Magdalene in Troy. Our Baptist Women raised $92.95. The donation will be used for the purchase of books. The books will be given to new mothers whose babies are born at Montgomery Memorial Hospital during the month of November, Children's Book Month. Hopefully, this project will encourage mothers to read to their childen.

A Baptist Women Retreat was held at Caraway Conference Center in August. Phyllis Parks led the retreat on personal witnessing.

Four council members attended the WMU Week at Ridgecrest in June. Those attending were: Phyllis Parks, BW Director; Shirley Murdock, GA Director; Carolyn Plowman, MF Director; and Shirley Hall, WMU Director.

An Associational Acteens Activity was led by Vada Whitaker, Acteens Director at Mt. Carmel Baptist in September.

The GAs also had their Association GA Activity at Forks of Little River in September. Shirley Murdock led the event. Gene Singleton spoke to the girls about his mission work project in Brazil. Several Baptist Men from our association were a part of this project.

Two leadership trainings were held in September, one at Candor Baptist and the other at Mt. Gilead First. Nine churches were represented. The leaders were led by the associational WMU council members.

Again, the Montgomery Baptist Associational WMU Council has received a Certificate of Recognition from the North Carolina Woman's Missionary Union for their outstanding work.

Baptist Men Report

(Paul Gordon)

The purpose of the Baptist Men's Director is to support the churches of the Montgomery Association in its task of bringing men and boys to God through Jesus Christ by helping churches involve men and boys in missions.

The men of our association have been involved in five (5) projects:

1. Built a deck and ramp for a handicapped man in the Liberty Hill area.
2. Built a deck and ramp for a handicapped boy in the Hamer Creek area.
3. Finished the work on the Chuckwagon at Cameron Boy's Camp.
4. Completed a 16 day trip to Salvador, Brazil where we constructed 20 pews, 15 park benches, 2 picnic tables, installed the ceiling boards on one missionary house, and laid the brick walls on two missionary houses. The individuals involved in the Brazil trip were Jerry and Ruth Smith of Stoney Fork, James Johnson of Pleasant Grove, Gene Singleton of Forks of Little River, and Paul and Becky Gordon of Mt. Carmel. The churches that supported the Brazil project are: Dover, Forks of Little River, Grace Memorial, Hamer Creek, Holly Mount, Mt. Carmel, Pleasant Grove, Stoney Fork and Troy First.
5. We have started to renovate the associational office.

At the present time, we are working on the plans for four more projects:

1. The men of our association have been invited to another mission trip to Salvador, Brazil to further the construction of the "Bahia Camp."
2. To build a deck and ramp in the Mt. Gilead area.
3. Help on the building at Grace Memorial.
4. And we are joining the other associations in region six for a Baptist Men Mission Fair at Wingate College on November 2.

The individuals involved in building the decks and ramps were: Paul Haywood, Fred Hare, Danny Hinson, Teddy Sedberry, Redrick Campbell, Manly Green, James Williams, Eric Williams, Edward Hyde, James Johnson and Paul Gordon.

We encourage more men and all of our churches to support and become involved in mission support as the opportunity arises.

Stewardship Report

(Bill Turnmire)

We praise the Lord for the wonderful spirit of cooperation among Montgomery Baptist Christians. Progress has been made toward the goal of being self-supporting financially.

We appreciate the churches who have increased their giving on a percentage basis. This has resulted in an increase of $7,000 above the amount given for the year 1989-90. We encourage all of our churches to give *at least four percent* of their undesignated receipts to the ministry of our association.

We can see the spiritual growth in our churches as we support missions locally as well as around the world. May our Lord continue to challenge us as we give ourselves, our talents and our resources. In this way we can provide the financial means for sharing the gospel with a willing and cheerful action that will be pleasing unto our Lord.

1991 Report of Baptist Children's Homes of North Carolina, Inc.

"BCH Gives Children a Chance!"

For an institution that's 106 years old, Baptist Children's Homes of North Carolina (BCH) looks strongly to the future! Three pillars that uphold that futuristic foundation are: **1. The return of the Thanksgiving Offering beginning in November 1991; 2. The success of our "Give a child a chance!" financial campaign, and 3. Baptists' continued support of BCH through the Cooperative Program.**

This financial undergirding made it possible for BCH to serve more than 1,200 children and families last year through facilities at 13 locations across the state. Because Baptists cared enough to give, residents like Lynn will go to Wingate College this fall; Chris graduated from UNC-Chapel Hill; Jennifer is in her second year at Haywood Community College and Mark earned a football scholarship to North Carolina A&T. Each of these lives proceeds on firm footing because Baptist Children's Homes was there and paved their pathway.

Most BCH residents come from dysfunctional families where a single parent, most often a mother, simply is unable to care for her children. Her frustration with life leads to limitless freedom for the children, which leads to troubling behavior. Physical abuse, divorce, alcohol, drugs and truancy mark their young lives.

Baptist Children's Homes provides a safe environment where children learn to name their problems and address them to change behavior. At the same time, willing family members also are addressing their problems with the help of BCH social workers. In many cases, children and families are restored.

BCH's "Give a child a chance!" campaign is raising $11 million over three years to expand Cameron Boys Camp, boost general operating income and increase endowment. Gifts and pledges through July totaled $9.3 million and response across the state has been overwhelming and heart gratifying.

Last year Baptist Men of North Carolina helped construct the new Tommy and Jeanie Eller Chuckwagon at Cameron Boys Camp that was dedicated May 19.

BCH celebrated this spring the 20th anniversary of the founding of Broyhill Home, our westernmost campus, in Waynesville/Clyde. With the help of J.E. Broyhill and his family, the home was opened in 1971 on 91 hilly acres. It has capacity for 48 children in group care and for eight girls in emergency care.

In August 1990 BCH began the Gregg Children's Center for before and after school care. The Davidson County program offers security to children of working couples, who now don't have to go home to empty houses.

Children's hopes the world over have been bolstered by the 1991 return of the Thanksgiving Offering voted by messengers to the 1989 state convention. While suffering through its 13-year absence, BCH lost more than $2 million in potential gifts. Our goal this year is $500,000. Because of a partnership established in December with the Baptist Children's Homes of Sao Paulo, Brazil, *BCH-North Carolina will donate 10 percent of everything it receives over the $500,000 goal for work in that desperately needy land.*

In August 1990, BCH signed an agreement with Gaston County Department of Social Services to operate two emergency care homes owned by the county. That raises to seven the number of emergency care homes BCH operates. Emergency care, in which a child at risk of abuse or neglect can receive shelter right away, is the service most in demand throughout the state. Children stay a maximum of 60 days while BCH works with the custodian to determine a long-term plan of care.

OMERY COUNTY

The Cooperative Program continues to anchor our budget planning from the churches. We urge renewed commitment to cooperative giving among our North Carolina churches. It is essential, not only for us, but for the entire missions enterprise built painstakingly for a century and a half. Baptist Children's Homes receives $1.5 million from Cooperative Program receipts each year. This is the stackpole around which we build our other income planning. A decrease in Cooperative Program dollars to Baptist Children's Homes would seriously jeopardize our ability to care for children.

Baptist Children's Homes has a 106-year history. But its history is just the knot that ties it to a boundless, unbroken ribbon of promise that stretches beyond the future to wrap children and families with eternal blessings.

The Biblical Recorder Associational Report 1991

The Baptist world is changing rapidly; some would contend it is for good while others think it is nothing short of a tragedy.

Whatever one's view may be, there is an indispensable need for correct and reliable information. The *Biblical Recorder* was born and continues to serve for that purpose.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic, fast-food, everything is disposable age! We often think we know the answers only to discover later that we do not.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches and the denomination they comprise, can survive long without an informed, involved constituency which makes corporate decisions based upon accurate information from reliable sources.

The most important thing facing us at this point is to get the *Recorder* into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches. We need your help!

In order to save churches large amounts of money and to increase the readership of the *Recorder*, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church newsletter incorporated into the *Biblical Recorder* which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. We are steadily adding churches to the CNS program.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry.

Never has God given Baptists a greater opportunity; never have there been as many difficulties and obstacles to overcome. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the *Recorder* was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

North Carolina Baptist Foundation Report to Baptist Associations of North Carolina June 1991

The Board of Directors and the staff of the North Carolina Baptist Foundation are committed to effective leadership in generating increased perpetual financial support of Baptist causes throughout the state, nation and world. With assets approximately $27 million (market value) at the end of the 1990 fiscal year, the income distribution to Baptist causes is significant each year.

Typically, assets are either held as endowments paying interest income in perpetuity to named Baptist causes, or they are held in trust with current income being paid to individuals and future income being paid to Baptist causes in perpetuity.

Earned income distributed to Baptist institutions and mission causes during fiscal year of 1990:	$647,180
Earned income distributed to individuals with Baptist causes named as charitable remainderman during fiscal year of 1990:	$686,124

The staff of the Foundation consists of seven full time employees and two persons who provide part-time service in accounting and legal services. The servicing of individual accounts requires continuous contact with trustors, donors and those designating gifts through Wills. The increased number of requests for assistance in seminars and conferences by churches, associations and individuals has made part-time assistance necessary in regions of the state some distance from the office.

There are continual improvements being made in available charitable estate planning computer software, constant changes in state and federal regulations which affect charitable estate planning and an increased need for technical training and assistance to serve the ever increasing needs of both the development staffs of our institutions and the individuals utilizing the Foundation services. The Foundation continues to provide for these needs to maximize the growth in financial support for Baptist causes.

In 1990, the Foundation moved into a new home. The 6,000 square foot office building was constructed from gifts from individuals and is located on property provided by the Baptist State Convention next to the Baptist Building in Cary. The new facility was occupied in February 1990 and provides much needed space for the work of staff as well as for conferences and meetings. Baptist groups are invited to use the meeting rooms when in the Raleigh/Cary area. We extend an invitation to church groups to call and arrange a visit to the newest building used for the Lord's service by North Carolina Baptists.

Respectfully submitted,
Edwin S. Coates, Executive Director

Baptist Retirement Homes of North Carolina, Inc.

1991: MAKING LIFE FOR OLDER ADULTS THE BEST OF TIMES

The Baptist Retirement Homes of North Carolina, Inc. operates four residential facilities for Older Adults around the State - the Albemarle Baptist Home in the Southern Piedmont, the Western North Carolina Baptist Home in Asheville, the Hamilton Baptist Home in Eastern North Carolina, and the Brookridge Retirement Community in Winston-Salem.

In Asheville, 1991 began with a great deal of excitement. After more than five years of trying to receive state approval to build a nursing care bed addition, the Baptist Retirement Homes was awarded a Certificate of Need for 100 medicaid certified nursing care beds for its Western North Carolina Baptist Home on Richmond Hill in Northwest Asheville. Currently the only nursing care provided by the Baptist Retirement Homes is the 85 bed nursing care unit at the Brookridge Retirement Community in Winston-Salem. The addition of 100 medicaid certified beds will mean that quality nursing care can be offered to Western North Carolina Baptists regardless of their ability to pay for the institutional services that they need.

The 39,000 square foot addition will cost approximately $2.8 million. At the present time, the Baptist Retirement Homes has raised approximately $2 million of the $2.8 million needed to make this long hoped for dream a reality. Baptists across Western North Carolina are being urged to help Baptist Retirement Homes meet the financial challenge of building this new unit on Richmond Hill.

In Winston-Salem, the Brookridge Retirement Community completed its second year of operation. Under the leadership of a well-trained and committed Christian staff, the Brookridge Retirement Community's Independent Living area and Health Care Unit are considered among the finest in the State.

In Albemarle and Hamilton, Assisted Living care is provided to Older Adults in residential settings. The Albemarle and Hamilton facilities offer quality care to Older Adults regardless of their ability to pay for the cost of the care they receive. . . a service unmatched by any other church related long-term care institution in this state.

Please support our ministry with your prayers and financial resources. Help us make life for Baptist Older Adults. . . The Best of Times!

North Carolina Baptist Annuity Board Report to Baptist Associations of North Carolina 1991

Protection is an instinct each adult has toward his spouse and children.

It hurts to see a child fall or a spouse passed over for a promotion. We want to shield loved ones from the hurts of everyday life.

That kind of protection is impossible, but there is financial protection available to ministers that can provide a life-saving margin for his family in the event of his disability or death.

The good news is it costs him nothing if he is an eligible participant in the Church Annuity Plan.

The Protection Section of the Church Annuity Plan is provided by the state convention, and includes several benefits.

These benefits can mean receiving:

- up to $67,500 in special survivor benefits if you die prior to retirement, or while receiving a disability benefit.
- up to $300 a month if you become disabled and unable to perform any gainful employment due to physical or mental incapacity.

Additionally, up to $35 each month can be credited to your retirement income account during your disability and your survivor benefits will remain.

This valuable family protection is funded from Cooperative Program dollars that match dollars contributed to your account by you and your church.

"The Church Annuity Plan offers significant up-front family protection that leaves your dollars free to build your retirement security. It is an important benefit that many

ministers overlook in the retirement plan," Frank Schwall, senior vice president of Member Services.

The average annuitant in North Carolina receives $287.43 per month, up from $234 last year.

North Carolina has 3,396 members making contributions to Annuity Board retirement plans.

It is exciting to think about what has been done to help ministers retire with dignity and to have protection as they plan for retirement. Strong efforts have been made to make all of our churches (and ministers) aware of the opportunities and the need to act on them.

But there is still much to be done! Consider these facts:

- small contributions make the annuitant's benefits small:

  In North Carolina

  185 receive less than $50
  482 receive less than $100
  1,041 receive less than $200
  1,338 receive less than $300

There is a *great* challenge still before us to help ministers prepare for the future and to help churches be responsible employers.

North Carolina Baptist College Report 1991

A "new-old" event is about to take place in North Carolina Baptist life: *A Special Committee!*

From time to time we Baptists feel the need to take a hard look at ourselves. We do that through the time-honored practice of asking trusted people to serve on a committee for a year, sometimes two. In 1956, for example, "The Committee of Twenty-Five" began a comprehensive study which eventually embraced all aspects of North Carolina Baptist life. That committee reported to a special session of the Baptist State Convention called for that purpose on May 5-6, 1959. Again, "The Committee of Twenty," appointed in 1967, worked for two years before presenting its comprehensive findings and recommendations to the Convention in November of 1969. Both of these committees provided clarity and guidance for North Carolina Baptists which endured for many years.

New times call for a fresh look at ourselves. The "new times" which have taken shape in the Southern Baptist Convention since 1979 have particular relevance for institutions, agencies, their trustees and the Convention. North Carolina Baptist institutions and agencies have rendered distinguished Christian service for a total of 1,108 years! New times call for a new look by a competent special committee.

In May the General Board approved a 17-member "Institutions Relations Committee." Lamar Brooks, Wilmington, is chairman. Other members are: Jean P. Abernethy, Marion; Dot Allred, Gastonia; Curtis Lee Barbery, Bennett; Harold Ben-

nett, Boone; Don Bolden, Burlington; Caralie Brown, Raleigh; Kathryn H. Hamrick, Shelby; John H. Hewett, Asheville; Milton A. Hollifield, Jr., Stanley; John M. Hough, Jr., Salisbury; James H. Johnson, Candler; Robert B. Poole, Elizabeth City; George W. Pullium, Jr., Knightdale; Hobart Smith, Charlotte; A. Eugene Warren, Charlotte; J.L. Wilson, Winston-Salem. Their report is due in November, 1992.

The "new-old" way of study and thought is the North Carolina Baptist, tried-and-true way to confront changing times. We thank these 17 good men and women who will help us to shape the future together in harmony. They request and deserve our fervent prayers.

North Carolina Baptist Hospital Report to Associations 1991

The year 1991 is significant in the history of Baptist Hospital - it marks the 50th anniversary of its entering a partnership with the Bowman Gray School of Medicine of Wake Forest University, to form one of the 126 academic medical centers in the nation. Appropriate events have been planned to celebrate this anniversary.

This partnership makes it possible for Baptist Hospital to offer its patients the most advanced technology for diagnosing and treating their health problems. For example, ours is one of 15 medical centers in the nation involved in clinical trials of a new coronary laser which vaporizes plaque in blocked coronary arteries. We are one of five centers in the U.S. conducting clinical trials in stereotactic radiosurgery, a procedure in which high-energy beams of radiation from a linear accelerator are focused by computers on brain tumors and lesions to destroy them. This procedure can be done on an outpatient basis. We are one of 24 Comprehensive Cancer Centers in the nation. We are the designated organ procurement agency for northwest North Carolina, and we recently received approval to begin performing pancreatic transplants this year. Early in 1992, we expect to open our new Center for Positron Emission Tomography, one of the most advanced radiological services which is capable of measuring the chemical structure of the body. This new diagnostic procedure promises to make possible earlier detection, and hence, earlier treatment of tumors, hopefully, improving the outcome of the treatment.

During the past year, the hospital admitted approximately 22,000 patients and almost 400,000 persons were treated through the various outpatient services of the Medical

Center. These patients came from most counties in North Carolina, from 32 other states, and from several other countries.

During the past year, Baptist Hospital was re-accredited by the Joint Commission on Accreditation of Health Care Organizations, and the survey team which visited our institution ranked it in the top 10 percent of hospitals in the nation. Also, according to a recent report from the North Carolina Medical Database Commission, average charges for care at Baptist Hospital are 10 percent below the average charges for similar diagnoses in hospitals statewide, and substantially lower than charges in the other North Carolina academic medical centers.

The Pastoral Care Department, which is funded in part through the Cooperative Program, provided Clinical Pastoral Education to 42 students during the past year. The Pastoral Care staff provided more than 54,000 specific ministries to hospital patients, family members, and staff. And, the counseling division provided over 21,700 counseling sessions. The Professional staff of the Pastoral Care Department continues to respond to requests for help from churches in conflict, from pastors and their families across the state.

For the first time since 1978, a Mother's Day Offering exclusively for Baptist Hospital Benevolent Care was received in North Carolina Baptist Churches. At the time this report is being written, results of the Mother's Day Offering appear to be very favorable. The staff and patients at Baptist Hospital are profoundly grateful to North Carolina Baptists for this support.

Respectfully submitted,

1991 Annual Report
Christian Action League of North Carolina, Inc.

This has been a most eventful year for the cause of Applied Christianity.

With North Carolina facing a 1.1 billion dollar shortfall and with news accounts stating that citizens from North Carolina are spending 100 million dollars annually in the Virginia lottery, it appeared almost inevitable that a lottery bill would pass the 1991 legislative session.

In addition to the economic factors, the gambling industry had 13 lobbyists working the halls of the Legislature daily promoting lottery legislation.

Even though lottery legislation passed the Senate, it was quite evident that the lottery lobbyists could not line up enough votes to get the measure through the House of Representatives. Lottery supporters did not push for a vote, for they knew that the legislation would be dead. Therefore, the proposal will be eligible to be considered in the next legislative session when it convenes in June, 1992.

Between now and then, it is of utmost importance that you secure a commitment from your representatives in the North Carolina House to oppose state-sponsored gambling. The Senate will not be voting on the lottery in 1992 because it has already passed that body.

Key lottery supporters were Senator Ken Royall (D-Durham), Senator George Daniels (D-Caswell), Representative David Redwine (D-Brunswick), Representative Joe Mavretic (D-Edgecombe), Representative Robert Hunter (D-McDowell) and Representative Frank Rhodes (R-Forsythe).

Opponents of the legislation were led by Governor Jim Matin, Lieutenant Governor Jim Gardner, Senate President Pro-Tem Henson Barnes (D-Wayne), and Speaker of the House Dan Blue (D-Wake).

While we were successful in side-tracking lottery legislation, the Legislature refused to enact the following proposals:

1. PARENTAL CONSENT. . . North Carolina remains one of the few states in the nation that allows a minor to receive an abortion without parental consent. Legislation to enact parental consent passed the House, but died in the Senate.
2. DRUNK DRIVING. . . The House passed legislation that would change the alcohol blood level from .1 to .08 as the breathalyzer standard for Driving-While-Impaired. The Senate refused to act on this proposal.
3. OPEN CONTAINERS OF ALCOHOLIC BEVERAGES IN MOTOR VEHICLES. . . It is ironic that an open *liquor* bottle is prohibited in a motor vehicle, yet there is no limit to the number of open beer containers allowed in a motor vehicle. Highway safety authorities confirm that a large majority of the drivers charged with driving-while-impaired are beer drinkers. N.C. Highway Patrol officials endorsed the open container legislation, but it got "hung up" in a House committee.
4. TEEN-AGE PREGNANCIES. . . In order to address this growing problem, legislation was introduced to require sexual abstinence instruction to be a part of the curriculum of our public schools. (Such instruction has been very successful in reducing teen-age pregnancies in other areas of our country.) However, such a program was opposed by our N.C. Department of Public Instruction. Education officials charged that such legislation would be imposing a standard of morality upon our youth. The measure simply stated: "The State Board of Education shall adopt rules to provide that the public school curriculum shall include instruction, in appropriate grades and classes, that abstinence from sexual activity outside of marriage is the expected standard for all school-age children, that abstinence from sexual activity is the only certain means of avoiding out-of-wedlock pregnancy, sexually transmitted diseases, including AIDS, and other associated health problems; and that a mutually faithful monogamous relationship in the context of marriage is the best lifelong means of avoiding sexually transmitted diseases, including AIDS."
5. ABORTION FUND. . . North Carolina is the only Southeastern state that used state tax funds for medically unnecessary abortions. Some $400,000 of state tax funds have been budgeted by the state legislature to pay for these elective abortions. Therefore, we are denying thousands of babies right here in North Carolina their constitutional right of *life*, liberty, and the pursuit of happiness.

How can we turn the tide on these important moral issues? It will occur when North Carolina Baptists and other Christians are willing to become actively and publicly involved in upholding our Judeo-Christian moral standards. It is not enough to wring our hands and just talk about problems. We need to cry out publicly and act against sin. Baptists need to be informed about the stands taken on these issues by those who are running for public office, and then *vote* for those who reflect our standards.

In addition to a demanding legislative session, the Christian Action League has successfully assisted several counties and municipalities in liquor, beer, and wine referendums.

Good Government Seminars were conducted in the Asheville and Wilmington areas, at which some of the above issues were addressed.
Nationally recognized authorities came to share their expertise on the issues of gambling and family matters. These included Dr. Paul Cameron, Chairman of the Family Research Institute, Washington, D.C.; Austin McGuigan former State's Attorney for Connecticut, and Bill Swindell, National Field Director, American Family Association, Tupelo, Mississippi.

We praise God for your prayer and financial support as we join in addressing the moral and ethical issues facing our society.

Director of Missions

(Ben Hall)

The year has rapidly passed into history. It has been a year where we have seen many pastoral changes in the association. Several of these churches have called new pastors. Five are still without pastors.

We continue to make headway in the association with our long range planning, seeking to be on target with projects and developments as outlined with our long range planning. Yet, much of the planning cannot become a reality without the support of the churches. Although, the support we are receiving has been great for the year.

One of the highlights of the year was to have a Polish Pastor, Rev. Daniel Trusiewicz from Koszalin, Poland with us. He was an inspiration and a challenge for us. Those who met him and heard him were blessed with his spiritual depth. As a part of the Polish Partnership, we are seeking to purchase beds for the youth/children's camp held each summer in Brother Daniel's church. Each set of beds cost $200. We wereasking churches to help purchase one or part of one bed.

Again, in the ministry of the association, the office has been open more hours, more involvement of the DOM, CCM Director, and other ministries with the churches.

The Food Ministry continues to be a need in the community. With funds from the Home Mission Board, we are purchasing food from the Carolina Food Bank to provide assistance to needy families. We are able to purchase the food at twelve cents per pound. This has enabled us to provide more help with the money we received from the Home Mission Board.

The Clothing Closet or "The Sharing Place" continues to provide a great ministry to the community. More and more people are being served with this ministry either through total assistance for clothing, or to purchase good clothing at a low price. All of this has been under the able leadership of Vada Whitaker.

All in all, the association is alive and well. . . with your help, we will continue to serve you, the churches and community.

Our Hispanic Ministry continues to grow. A milestone was met this year as we, with assistance from the Baptist State Convention and the Hispanic church, are in the process of buying the building. Already plans are being formatted to do work on the building. The Baptist Men of the Pee Dee Association, along with our men, will be doing the work on the building. The church is growing and reaching out to the Hispanic community in our county.

We also had a new work to begin in our association this year along with Mt. Gilead First. Together work is being done with the Laotian people living in the area. Rev. Nao Lu Vang has come from Colorado to work with the Hmong people in Charlotte and Montgomery County.

Continue to pray for the Association, and all the ministries in which we are involved. Especially pray for the language ministries.

Church and Community Ministries

(Vernie Rhodes)

It has been a good year in the area of Church and Community Ministries. Reflecting back, there are several things that should be made a part of this annual report to the churches:

THE SHARING PLACE MINISTRY: In October 1991, The Sharing Place was relocated to the shop next door to our associational office. Dedication services were held on October 11 with good representation from our churches. With the dedicated leadership of Mrs. Vada Whitaker, a member of Mt. Carmel Baptist Church, this ministry has prospered. Special thanks is also given to the many volunteers from our churches who assist with the sorting of donations and stocking the store. Since this relocation a small price is placed on the items. This serves several purposes - (1) It allows the association to operate this ministry without financial investment; (2) It allows for better organization of stock to serve those in need (3) It allows those who are "needy" or of lower income who would not ask for a "hand out" to provide for their families and maintain their sense on self-worth. Let me add here that when there is a need, The Sharing Place continues to serve families on a "Total Assistance" or no cost basis. The Sharing Place is designed to be self-supporting and not profit making. We have reached this goal about as closely as we could hope for. The minor profits of just over $30 per month will be used for further ministry efforts.

FOOD MINISTRY: This is another area that has undergone considerable change

this past year. Rather than giving Food Vouchers to people to make their puchases at a local supermarket, we now stock a food pantry to give from. This has allowed us to serve three times the number of people with the same amount of money. This change was made in January, and since that time has worked very well. Funding is supplied largely by The Home Mission Board for this ministry.

These two ministries alone this past year have given food and clothing assistance to over three-hundred and fifty (350) families. Most of these were served by both ministries more than once.

INFANT CLOTHING MINISTRY: It was brought to our attention that babies were being born at Montgomery Memorial Hospital to families who were unable to provide clothing for the infant. A supply of infant clothing and care items was set up at the hospital for the nurses to distribute as they see a need. Records are kept for us. Along with this, the family is told that they may obtain assistance thru our association should they need it.

PASTORAL REFERRALS: This is a relatively new ministry. When the associational office is made aware of specific needs of a family, a referral is now being sent to a pastor in a church nearby the person's residence. Pastors or members are then making in-home visits when possible to witness and minister or to advise the associational office of further needs which we might need to be involved in. The ministry was begun to encourage more awareness in our church communities of the needs right around them.

This year I have had the privilege of working closely with our WMU on several other ministry projects - the Fall Coat Drive, the Christmas Pounding, and the distribution of Back to School Supplies to children in the Hispanic Mission and to the Laotian children. At Christmas, families who had applied for and received assistance thru our office were adopted out to different people and church groups and gifts provided for them. More than 25 families received the annual WMU pounding. These families were coordinated thru the CCM records of families in need.

Response has been exceptional from our churches this past year as we have requested items. Volunteers have not been as plentiful as we need so I encouraged more active support from our members by the giving of your time in ministry activities.

The past is past - the future is before us. Stop and think about it. Next year this time, our present will be the past. I'm depending on ALL of our pastors, ALL of our associational leaders, ALL church leaders, and ALL the members of ALL of our churches to put forth a little more effort and work harder this year. Let's help Montgomery Baptist Association make a difference in the lives of those around us. Then, as now, let's give God the honor and the glory for it all!

WMU Report

(Shirley Hall)

The 1991-92 Woman's Missionary Union theme, CALLED AND ACCOUNTABLE, challenged the WMU leaders to be on call for service as well as being accountable to God in how they used their time, monies and talents for Him.

The 1991-92 Associational WMU Council members: WMU Director, Shirley Hall; Assistant WMU Director, Delores Hicks; Baptist Woman's Director, Phyllis Parks; Acteen Director, Vada Whitaker; GA Director, Shirley Murdock; Mission Friends

Director, Carolyn Plowman; and Mission Action Director, Vernie Rhodes, were involved in many activities during the year.

OCTOBER: The Associational Council members furnished the refreshments for the dedication of the Sharing Place on October 13.

DECEMBER: The annual "Christmas Pounding" was sponsored by the council. Vernie Rhodes, Mission Action director, coordinated this project. Canned goods were collected from 12 WMU Organizations. Twenty-five boxes of food were delivered to the needy in Montgomery County.

FEBRUARY: The Mission Action Director led the WMU organizations in another mission action project providing needed items for the Woman's Crisis Center. Twenty churches participated. The council members packed the items, (combs, toothbrushes, toothpaste, wash cloths, etc.) in zipped lock bags)

MARCH: The annual Baptist Women Retreat was led by Phyllis Parks, BW Director, at Prospect Baptist Church on March 28. Karen McFetters of Forks of Little River Baptist Church shared the highlights from the book, "To Listen, To Love."

APRIL: The 58th Annual WMU Meeting was held at Dover Baptist church. Over seventy-five Baptist Women, Acteens, and GA's were present. Our misisonary speaker was May Dixon, A Southern Baptist missionary to Peru. New officers for 1992-93 were elected: WMU Director, Delores Hicks; Acteens Director, Kathy Garner; and Mission Action Director, Shirley Hall.

JULY: Two WMU council members, Phyllis Parks and Shirley Hall attended the WMU Week at Ridgecrest.

The Acteens from Dover, Mt. Carmel and First Baptist Troy sponsored a booth during Troy Fourth of July Celebration.

AUGUST: Six Associational WMU Council members participated in the State WMU Leadership Training session at Caraway Conference Center. Back-to-School Party was held for the Hispanic children at The Prince of Peace Baptist Mission. This mission action project was coordinated by Vernie Rhodes. All twenty-one (21) WMU organizations were asked to participate by furnishing school items (pencils, notebooks, etc.). The following churches had their ladies present to help with the refreshments and to distribute 20 bags of school items to the children: Dover, Forks of Little River, Grace, Mt. Carmel, First Baptist, Mt. Gilead, Stoney Fork and First Baptist Troy. Since so many items were received, the council was able to fix 29 more bags for another language group, the Laotian boys and girls at First Baptist Mt. Gilead.

SEPTEMBER: Two leadership training sessions (a repeat) were provided for the WMU leaders in the association. The sessions were held at First Baptist Biscoe and Wadeville Baptist Church. These training sessions were led by WMU Council members. Twelve churches sent their leaders for this special training.

An Associational GA Activity was held at Forks of Little River Baptist Church on September 26. Shirley Murdock, GA Director, led the activity.

The Montgomery Baptist Association WMU Council has received another Certificate of Recognition from the State WMU for their outstanding work during the year.

Baptist Men

(Paul Gordon)

The purpose of the Baptist Men's Director is to support the churches of the Montgomery Association in its task of bringing men and boys to God through Jesus Christ by helping churches involve men and boys in missions.

The men of our association have been involved in (5) five projects:

(1) Built a ramp and covered the deck and ramp with indoor-outdoor carpet for a handicapped lady in the Troy area.

(2) Gave support to Grace Memorial Baptist Church in the building of the new sanctuary. Ronnie Lucas of Mt. Carmel Baptist Church helped with the truss erection and brick work. Rev. Lonnie Gibson of Tabernacle, and Paul Gordon of Mt. Carmel helped with the painting.

(3) We have challenged the churches of the Montgomery Association to purchase (25) twenty-five double bunk beds with mattresses at $200.00 each. The money will be sent to Polish Pastor Daniel Trusiewicz and used in the Baptist church in Koszalin for the area youth camp. We have money for (6) six beds with Dover Baptist Church giving $719, Mt. Carmel Baptist Church giving $261, Calvary Baptist Church giving $200, and an individual donation of $100.

(4) Gave support in new mission work to Linden Baptist Church in Linden, North Carolina.

(5) Jerry Smith from Stoney Fork Baptist Church did some interior painting at Albermarle Baptist Retirement Home during its renovation this year.

Other work this year included a Baptist Men's Workshop for leaders which was held in September. There were four (4) of our churches represented. Also, there were (3) three new Baptist Men's units started in 1992. These were at Bethel Baptist Church, Forks of Little River, and Dover Baptist Church.

At the present time we are working on plans to help renovate The Prince of Peace Baptist Mission in Candor.

We encourage more men and boys and all of our churches to support and become involved in mission support as the opportunity arises.

Sunday School

The Associational Sunday School got off to a good start for the year. An Assist Team was formed to be available to help the churches with their Sunday School work. The team consisted of Warren Gilpin, Director; Raleigh Castelloe, Adult Consultant; Benny Hampton, Youth; Sue Blake, Children; Ben Hall, Preschool; Curtis Blake, Outreach; David Boroughs, Team Improvement.

The Team was able to attend the Assist training at Cary in February. A new excitement for Sunday School work was created.

During the year we met and scheduled a Literature workshop to be held on September 28 for all Sunday School workers. This conference was well attended, but many more could have attended. There were nine churches represented with thirty-six in attendance.

Kenneth McNeill will be our Sunday School Director for the new church year. The theme for the year has been "Breakthrough: Equipped to Win."

Evangelism Report

(Curtis Blake)

I wish I could give you a glowing report about how well our churches did in evangelism last year. However, the report of baptisms from our churches dropped 22 percent from the previous year. Our 29 churches reported only 100 baptisms last year (1991 report). Eight churches reported no baptisms. Twenty four churches reported five or less baptisms. Three churches baptized 41 percent of the total baptisms. Prospect Church led all churches with 17 baptisms. Troy First and Exway tied with 12 each. With more than half of the population in our county unchurched, it's obvious we are not doing a very good job in winning people to Christ.

This past year, we have made opportunities available for our churches to be involved in getting their people trained in doing evangelistic work. The one-day soul winning seminar at Dover Church on March 21 was attended by 28 people (only four pastors). It was designed to teach our people how to share their faith in Christ with lost people. We must have greater support from our pastors in promoting and attending the one-day seminar if they are to be successful.

The Youth Evangelism Conference also held at Dover on February 13 was a good success. We had over 150 in attendance and Rev. Larry McElreath challenged the youth to make their lives count for Christ. Several decisions were made during the invitation.

The highlight of our associational year in evangelism is our annual Evangelism Conference. This year we had a wonderful meeting at the First Baptist Church in Troy. The conference was well attended and our hearts were blessed by the singing of The Montgomery Family Singers from First Baptist Church, Indian Trails, North Carolina. Their pastor, Rev. Mike Whitson, brought a powerful message and challenged us to be personal soul winners. Many decisions were made during the invitation.

Once again we had the joy of recognizing Prospect Baptist Church as the "Outstand-

ing Church in Evangelism'' for our association for the second consecutive year. Congratulations to a small church that is doing a great job in winning souls to Christ.

We are planning another conference on September 14, 1993. Pastors, please keep that date open as you plan for next year.

Soul Winning Commitment Day should be observed by all our churches on January 10, 1993. Let me challenge each pastor to preach a message on soul winning and lead your people to make a commitment to be witnesses for Christ. You will be receiving materials from our state office soon to help you prepare for this special day in your church.

Please put our State Evangelism Conference on your calendar. The date is February 8 and 9 at Winston-Salem. This is another opportunity to lead our churches to get involved in evangelism.

I want to thank you for allowing me the opportunity of being your Association Evangelism Director this past year. I must say it has been another challenging assignment to have a part in encourageing all of you to be faithful in carrying out our Lord's commandment to be witnesses for Him. (Acts 1:8) Will you be obedient to His command in 1993? Please pray for me as I accept the challenge of being your Evangelism Director in 1993.

Youth

(Larry Rhodes)

We began 1992 with a Youth Evangelism Conference at Dover Baptist Church on February 13. Rev. Larry McElreath was our guest speaker for the conference. The evenign was kicked off with a ''Pizza Blast'' with worship following. There were approximately 150 in attendance with several decisions being made that evening.

In May our young people enjoyed the second annual Youth Explosion held at Biscoe Park. After an afternoon of sports, a hot-dog dinner was enjoyed by all. To close the event, our youth enjoyed role playing some well known Bible events. There were approximately 80 youth present.

Again in June, we joined with the music ministry to bring Witness back for an evening of music for our youth. This was the fourth year this group has been with us. Attendance was great with approximately 200 in attendance this year.

It is my hope that as a new Youth Director takes over for the coming year, our churches will lend their full support to him/her and to our youth. As 1992-93 begins, may we always remember that we have a responsibility to do everything we can to assist in the spiritual development of our youth.

Resolutions Committe

(Virginia Blake)

Whereas, God has richly blessed our churches and our association during the past year, and

Whereas, in this One Hundred Fourth Annual Session of The Montgomery Baptist Association meeting at First Baptist Church, Mt. Gilead on October 20, 1992 and Laurel Hill Baptist Church, Troy on October 21, 1992, we have seen growth and spiritual unity prevail; Be it therefore resolved:

1. That we express or deepest gratitude to God for His blessings;

2. That we express our appreciation to David Kime for his able and dedicated service as our moderator and to Sue Blake for her faithfulness as our Clerk;

3. That we express our appreciation to Rev. Ben Hall for his leadership as our Associational Director of Missions:

4. That we express our appreciation to Mt. Gilead First and Laurel Hill Baptist churches for the gracious manner in which they hosted the association, and for all the churches that provided the delicious meal;

5. That we express appreciation to those who have faithfully worked in The Sharing Place and the Food Ministry;

6. That we encourage all our churches to continue to share in the ministry of our Lord through the association;

7. That we encourage our churches to be aware of opportunities to minister to newcomers in our community;

8. That we encourage our churches to take advantage of the opportunities for training in the Association and in the state.

Church Music

(Mark Hill)

Church music is a source of inspiration, service, outreach and fellowship for each local church. Associational Church Music can involve each of those same elements as we work together on a large scale to share Jesus Christ through music.

This past year we formed an Associational Adult Choir and sang for the Tuesday evening session of the annual meeting at Candor Baptist Church. Later in the spring we had an Associational Song Fest at First Baptist Troy. Various choirs and groups performed and sang and the congregation enjoyed singing hymns.

Overall we had 121 children enrolled in choir programs, 139 in youth choirs, and 359 singers in our adult choirs. All total there are some 847 persons sharing music together in our churches.

We look forward to more good reports from our churches this coming associational year and look forward to another year of working in church music!

Senior Adults

(Jennifer Boroughs)

In the 1991-92 church year our Senior Adults throughout the association met in May for their first annual Senior Adult Covered Dish Supper. Many churches were represented and we had a good turnout for our first attempt at an association-wide get-together for our Senior Adults.

The Supper was held at First Baptist Church in Troy with Rev. A.T. Robertson as the guest speaker. Also, Pastor Daniel Trusiewicz visiting with us from Poland was invited to inform us on happenings in this country.

We look forward to another exiciting associational year in 1992-93 with more activities geared toward our Senior Adults.

Stewardship

(Bill Turnmire)

We praise the Lord again this year for the spirit of cooperation between the churches of the Montgomery Baptist Association. Again this year, we have progressed toward being a self-supporting association.

A special thanks is extended to the churches who have increased their percentage of giving and to all who have given to the support of our association this year. Receipts show an increase of $2,947.85 over last year. We encourage all of our churches to give **at least four percent** of their undesignated receipts to the ministry of our association.

As we support missions through our churches and association, both locally and abroad, the Lord will bless us. May the Lord continue to challenge each of us to give of ourselves more completely, our talents and our resources. Let us give willingly and cheerfully knowing that what we give is being used for the Lord's work.

Discipleship Training

THE OPPORTUNITY

1. Discipleship Training and Family Ministry have been working in related areas to address some of the needs previously identified. One course written by Tim Sledge, a Texas pastor, is already in process. *Making Peace with Your Past* is currently scheduled for an October 1992 release. Timé is working on a second, more indepth 12-Step approach to Christian recovery that would be condsidered for quick release under this proposal.
2. Rapha, a Texas based hospital treatment center organization founded by a Southern Baptist, has offered to license the Sunday School Board to produce a Sunday School Board verson of growth and support group materials. By accepting their offer, we have an opportunity to cut three to five years out of our lengthy process for new product development. By producing these resources in the LIFE Learning System of Discipleship Training we could have as many as eight courses available for churches in the next three years.
3. First Baptist Church Houston, Texas approached the Sunday School Board asking us to consider becoming the publishers and co-distributors of their ten-year-old program called *First Place: A Christ Centered Health Program.* This offer would allow the Board to provide Christ-centered support group resources for nutrition and weight control which focus on making Christ Lord over this particular area of one's life. Because these products are already widely used in the marketplace, these resources could be produced quickly for distribution to Board constituents.

Because of Sunday School Board emphases and resources already in place, the opportunity to produce these additional resources seems right in line with current directions of our work.

In 1988 Discipleship Training released *Wise Counsel: Skills for Lay Counseling* in the LIFE learning system. The final unit on group counseling set the stage for further more specific helps in meeting needs through support groups. This course led to the initial contact from Rapha due to their desire to recommend *WideCounsel* for training of group leaders and facilitators.

Family Ministry has also entered into a joint program venture with Woman's Missionary Union in the development of a resource entitled *Meeting Needs through Support Groups* by Broadman author Sarah Hines Martin. This resource is designed to encourage adult WMU organizations and Family Ministry committees to sponsor support groups for ministry and witness. Existing Broadman products will serve as intermediary resources for some of these groups.

LIFE offers the opportunity for persons to move beyond recovery into mature discipleship and ministry to others with such courses as *MasterLife, Experiencing God,* and *Disciple's Prayer Life.*

North Carolina Baptist Children's Homes

Like a marathon runner, Baptist Children's Homes of North Carolina (BCH) "hit the wall" in 1991-92, but persevered to finish standing up!

In an exhausting year for staff and a myriad of volunteers, BCH successfully concluded its first statewide fund-raising campaign, received its first Thanksgiving Offering since 1979, dedicated expansion of Cameron Boys Camp, broke ground for the new Fleshman-Pratt Education Center in Thomasville, inaugurated an innovative Bible study program at Mills Home, installed two new pastors at campus churches and solidified programs that have placed it among child care leaders for decades.

These efforts enabled BCH to serve more than 1,300 children and families at 13 facilities statewide, including Chris, named All-Conference nose guard for 2A state champion Thomasville Bulldogs; Sandi, who has enrolled at Gardner-Webb College; Deborah, named outstanding Freshman at Thomasville High after enduring a court battle that sent her father to prison for abuse; Jennifer, who married on the Broyhill campus where she'd lived for seven years; Kathy, who will continue to live at Broyhill while she attends college; and a host of others who are making life-changing commitments because they've received a second chance at Baptist Children's Homes.

In April, BCH successfully concluded its "Give a child a chance!" financial campaign by gaining three-year commitments for $11.2 million, topping the $7.5 million goal, and the challenge goal of $11 million. Significant priorities accomplished in the campaign are: expansion and relocation of Cameron Boys Camp to a more secluded site on its 903-acres of wilderness; ground-breaking for the Fleshman-Pratt Education Center, a model day care facility for infants, toddlers and two-year-olds; a unique Staff Training Institute for child care workers and social workers; and more than $2.7 million committed for permanent endowment.

And, the first Thanksgiving Offering for BCH since 1979 raised $510,000, a sum more than $100,000 greater than that realized through the combined offering with Baptist Hospital and Baptist Retirement Homes. BCH sent $1,000 from the Thanksgiving Offering to the Baptist Children's Homes of Sao Paulo, Brazil as fulfillment of a promise to donate 10 percent of everything received over the goal to our partners in the south.

In addition, BCH maintained the partnership with our Brazilian counterparts by sending three training teams to Brazil, and hosting a group of Brazilian pastors in Thomasville.

Most BCH residents come from dysfunctional families where a single parent, most often a mother, is unable to care for her children. Her frustration with life, often due to alcohol or drug abuse, or having been abused herself, leads to limitless freedom for the children, which leads to troubling behavior. Physical abuse, divorce, alcohol, drugs and truancy mark their young lives. Behavioral problems make it impossible for the child to continue to live at home.

Baptist Children's Homes provides a safe environment where children learn to name their problems and set goals to overcome them, which leads to behavior change. At the same time, willing family members also are addressing their problems with the help of BCH social workers. In many cases, children and families are restored.

BCH enjoyed a year of tremendous successes, in human terms and in institutional terms, which will allow it to continue to affect change in lives. Success in the "Give a child a chance!" Campaign will help provide a margin of excellence in the future when the pledges are paid. Already, the enthusiasm engendered by the effort have

lifted the spirits of staff across the state.

Still, the Cooperative Program continues to anchor our budget planning. We urge renewed commitment to cooperative giving among our churches. It is essential, not only for us, but for the entire missions enterprise built painstakingly for a century and a half. Baptist Children's Homes receives $1.5 million from Cooperative Program receipts each year. This is the stackpole around which we build our other income planning. A decrease in Cooperative Program dollars to Baptist Children's Homes would seriously jeopardize our ability to care for children.

An increasingly important aspect of our support comes from estate gifts and bequests. More and more people who want their resources to provide new life for children include BCH in their wills.

When Sandi, and Kathy, and Chris, and Barbara come to us, full of potential and hope, we want to be able to continue to tell them North Carolina Baptists care enough to give them a chance!

Baptist Retirement Homes of North Carolina, Inc.

1992: MAKING LIFE FOR OLDER ADULTS THE BEST OF TIMES

One of the greatest needs facing North Carolina Baptists as they move into 1993 is the ability to provide affordable quality long-term care services to the "Aged Saints" of our Convention.

The fastest growing segment of North Carolina Baptist life are those individuals in the age category of 85 and older. That age group is growing at five times the rate of any other population segment in Baptist life. The 85 and older age group is also that age group most likely to need the services provided by a long-term care institution like Baptist Retirement Homes. Unfortunately in 1992 in our state, there were not enough nursing care beds to meet the needs of the growing number of Older Adults who were functionally impaired and needed the services of a long-term care provider. Complicating the shortage problem was the fact that the cost of those beds was high (more than the average North Carolina Baptist older adult could pay). And to make matters even worse, in spite of the high cost of those beds, often the quality of care provided through those beds was fair at best. In other words, the greatest problem facing North Carolina Baptist Older Adults in 1992 was the fact that they were siply not enough affordable quality nursing care beds available for use by people like you and me and our Older Adult family members.

Having become aware some years ago of the above mentioned problem, Baptist Retirement Homes (for the last five year period) has been working to develop a system of affordable quality nursing care beds throughout the State for use by North Carolina Baptist Older Adults. New nursing care beds became available in the Piedmont area of our state in 1989 (through the opening of the Brookridge Retirement Community). In 1992, affordable quality nursing care will become available to Western North Carolina Baptist Older Adults through the new Rickman Nursing Care Center being built on Richmond Hill in Northwest Asheville. It is our institution's hope that by 1994 affordable quality nursing care will also be available to Eastern North Carolina Baptist Older Adults as well. Your support has made the above possible.

In 1992, North Carolina Baptists through their gifts to the Cooperative Program and North Carolina Offering for Older Adults made it possible for Baptist Retirement Homes to provide financial assistance to more than 60% of all the Older Adults living in its health care related facilities. In addition, Western North Carolina Baptists contributed more than $2.5 million toward the construction of the new Rickman Nursing Care Center in Ashville...a new facility that will enable Baptist Retirement Homes to make life for many Western North Carolina Baptists truly...the Best of Times.

Thank you North Carolina Baptists for your support. Please continue to pray for our ministry and its ability to meet the ever growing needs of the Older Adults of our Convention.

The Biblical Recorder

Associational Report - 1992

Last year we reported to you: "The Baptist world is changing rapidly; some would contend it is for good while others think it is nothing short of a tragedy." In these past 12 months, the changes are beyond description--on the world scene and in Baptist life.

Whatever one's view may be, there is an indispensable need for correct and reliable information. The *Biblical Recorder* was born and continues to serve for that purpose. Never was the *Recorder* more needed than now.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic age where we often think we know the answers to the issues only to discover we do not.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The most important thing facing us at this point is to get the *Recorder* into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches. We need your help!

In order to save churches large amounts of money and to increase the readership of the *Recorder*, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church newsletter incorporated into the *Biblical Recorder* which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the *Recorder* was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

1991-1992

For the 10th consecutive year, the gambling industry has not been able to secure passage of any gambling legislation such as a lottery or pari-mutuel betting (horse and dog racing.)

The industry made its biggest push ever during the 1991-1992 legislative session. They secured 14 of the most effective and best known lobbyists that money can buy to push

for their cause, but to no avail. When the legislature adjourned on July 24th, the gambling industry threw in the towel realizing that they did not have the votes in the NC House to pass their state-sponsored gambling bill, the lottery.

What made the difference? People like you did. You secured the commitments from your legislators that the role of government is not to exploit their weakened citizens, but to appeal to their strengths. Gambling violates that age-old principle.

There is one thing for sure. The pro-gambling forces will be back. However, the issue will be decided on November 3 at the General Election. If you elect legislators who are opposed to state-sponsored gambling, it will not make any difference how many lobbyists the gambling industry employs. The decision is in your hands. How do the candidates from your area stand on this issue?

There are other very important moral issues that you need to discuss with your legislative candidates. Some of them are:

1. SEX EDUCATION...Are our young people being deceived into believing that "safe sex" outside of marriage is possible and okay? The current rise in venereal diseases and teenage pregnancies, and the related emotional problems tells us we must focus attention on this issue.
2. ABORTION...The Supreme Court ruling regarding the abortion law of the state of Pennsylvania opens the door for further restrictions and conditions under which abortions can be performed - leaving this up to the states. This year we have have worked on trying to get legislation passed requiring abortion funding. Both of these measures passed in the House but died in the Senate.
3. ALCOHOL/DRUG ISSUES...It is so important that we continue to address problems related to alcohol use and abuse. Reducing the blood alcohol standard for DWI from .10 to .08 was one of our targets this year, but it also failed to pass in the Senate after passing in the House.

We cannot overemphasize the importance of getting to know who your candidates are and how they stand on these key issues. Plato put it so well: "The price that good people pay for not being involved in politics is to be governed by people worse than themselves."

Thank you for standing with us in the cause of applied Christianity.

Christian Life Commission of the Southern Baptist Convention

Information for the 1992 Annual Associational Report

The Christian Life Commission of the Southern Baptist Convention
901 Commerce, Suite 550, Nashville, Tennessee 37203
Richard D. Land, Executive Director-Treasurer

The Commission seeks to develop Christian morality among Southern Baptists by emphasizing the application of the principles of the Christian faith both in personal and public life. An ongoing effort is made to provide Christian ethics services to other Southern Baptist agencies, state Baptist conventions, associations, churches, and individuals to enable Southern Baptists to deal more effectively with the serious moral challenges of our time. The commission encourages the formation and activiation of Christian Life Committees at all levels of Southern Baptist life beginning with the local church. By coordinating and correlating Southern Baptist social concerns, the Commission helps to make the greatest possible impact for Christ in support of the

Convention's total objectives.

The presence of full-time Washington-based staff has enhanced greatly the Commission's ability to fulfill the portion of its program statement which calls on it to "bring to bear Baptist statements, convictions and insights in the field of Christian ethics and religious liberty upon important policy making groups" and to "present Southern Baptist insight for consideration in the planning of federal government programs on children and youth, aging, housing, employment, public health, and other matters pertaining to social welfare."

During the past year, the Washington and Nashville staffs have worked diligently to share both with Congress and the White House numerous convictions and concerns of Southern Baptists. Commission staff members have been active in corresponding and meeting with members of both the legislative and executive branches of the federal government concerning areas of Southern Baptist concern. Also, with the approval of the Convention's Executive Committee, the Commission launched a new publication, *Salt*, in a newsletter format (six issues a year), which seeks to keep Southern Baptists informed on public policy and issues active in the administrative, judicial and legislative branches of the federal government. The goal of *Salt* is to inform and motivate Southern Baptists to influence their president, senators, and representatives in a responsible, scriptural manner.

The Commission has also been particularly active during the past year in leading a strong coalition of numerous groups supporting legislation restricting alcohol advertising and requiring mandatory health warnings on alcohol advertisements. Abortion, drug abuse and pronography are among the other issues on which the Commission staff has been involved through the Washington office in the past year. The Commission remains particularly concerned about the serious threats to religious liberty posed by recent Supreme Court decisions and works closely with a coalition of groups trying to remedy these threats both through legislation and judicial action. The Commission also continued to pursue the fulfillment of its program statement this past year through the filing of *amicus curiae*, "friend of the court," brief in cases involving abortion, pornography and religious liberty.

In the religious liberty arena, the Commission also filed its first independent *amicus curia* (friend of the court) brief in the U.S. Supreme Court in the *Lee v. Weisman* school graduation prayer case. In this brief, the Commission asked the Court to overturn a lower court order prohibiting invocations and benedictions containing the word "God" at public school commencement exercises. The Commission has also asked the Court to revise the "Lemon" test and suggested a new test to replace Lemon, a test which is premised on the principles of government accommodation of religious practices which exist independently of government action and are not induced or coerced by government. The Commission believes students must have the right to free exercise of *their* religious liberty while in school, to associate voluntarily with one another during lunch, recess and free periods to pray, study the Bible and to discuss religious issues with each other without government control or censorship.

The Commission's 1992 annual national seminar in Washington, D.C. was entitled "Citizen Christians: Their Rights and Responsibilities." The program combined interpretive biblical themes with addresses on subjects such as "How Christians Can Make A Difference Inside Government" and "What You as a Christian Can and Cannot Do." The seminar also included a White House briefing and a congressional breakfast where seminar participants had an opportunity to interact with various senators and congressmen about issues of concern to them.

The Commission continued its long-standing leadership in the field of race relations by sponsoring a consultation which brought Southern Baptists of many racial and ethnic backgrounds together. The consultation was very helpful in addressing the goals the Commission seeks and the obstacles the Commission faces in encouraging our denomination and our society to be more Christ-like on this issue in the years ahead. The Commission also provided leadership in the National Coalition Against Pornography and during Bible Preaching-Church Administration Weeks and National Student Weeks at Ridgecrest and Glorieta. Commission staff also served as resource persons in events held in numerous state conventions as well as for other Southern Baptist agencies and entities.

The Commission continued its responsibilities assigned by the Southern Baptist Convention for education and action related to the issue of hunger. Commission staff produced the 1991-1992 World Hunger Awareness/Action Guide entitled *Hunger*. This guide was mailed to every church in the Convention to encourage and to support the observance of World Hunger Day. The commission-produced film, *What Shall We Do in a Hungry World?,* which had previously been mailed in videotape form to Southern Baptist associations, continued to be used significantly in heightening Southern Baptists' awareness on this vital issue.

North Carolina Baptist Foundation, Inc.

1992 - July Annual Report to Baptist Associations of North Carolina

The North Carolina Baptist Foundation, as an agency of the Baptist State Convention of North Carolina, is committed under the guidance of the Holy Spirit in serving North Carolina Baptists and other in generating an increased awareness of Christian estate stewardship principals as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis.

Assets are managed under the direction of the Foundation Board of Directors with interest income being paid in perpetuity to Baptist causes named by the donor or to the donor (or heirs) for their lifetime (or specific period of time) before the income is then paid in perpetuity to the named Baptist causes.

Earned income distributed and paid to Baptist churches, institutions and mission causes during fiscal year 1991:	$1,100,606
Earned income distributed and paid to individuals (with Baptist causes named as future beneficiaries) during the fiscal year 1991:	$1,062,643
Total market value of Foundation assets, December 31, 1992	$36,283,384

During 1991, the Board of Directors, with the assistance of a nationally recognized investment consulting firm, adopted a detailed Investment Policy to govern the types of investments that its fiscal agents may make in keeping with the Christian commitment of the Foundation, as well as attempt to insure that the future spending value of the invested trust fund dollar will keep up with inflation. A study revealed that during the past five years the fiscal agents managing the Foundation assets ranked near the top nationally with other investment managers who operate under investment guidelines similar to the ones provided by the Foundation Board.

The Foundation staff and operations are housed in a building adjacent to the Bap-

tist State Convention Building in Cary. Individuals and church groups are invited to call and arrange a visit of their Trust Agency's office building.

The significance of the Foundation services was illustrated in a recent experience that staff members had while eating in a fast food restaurant in Durham. In taking a seat adjacent to a table occupied by a young black police officer, we observed the enthusiasm of a white lad of about four years of age as he stood talking to the officer. As the mother and a younger child, coming from another area of the restaurant, called for the lad to join them, he walked away from the table six to eight feet, turned around and said to the officer, who was now standing and preparing to leave, "Can I give you a hug?" After an affirmative answer from the officer, the child walked over to the officer, reached around his legs and gave him a hug. The officer confirmed to us that he wished the world was filled with people like this child. The example corresponds to what so many already have done through the Foundation. As they approach the time of leaving this earthly life, they look back affectionately on what the Lord has done for them during their life and decide that they want to leave an expression of their love through an enduring and lasting gift (a "hug", if you please) that will serve the Lord until His return.

Respectfully submitted,
Edwin S. Coates, Executive Director,

North Carolina Baptist Hospital 1992 Report to the Associations1992

Baptist Hospital utilizes the skills and training of more than 5,700 employees to provide outstanding health care in settings as varied as the Brenner Children's Hospital, the Trauma Center, and the J. Paul Sticht Center on Aging and Rehabilitation. Last year, the Joint Committee on the Accreditation of Health Care Organizations said that Baptist Hospital ranks in the top 10 percent of all hospitals in the nation.

During the past year, the hospital admitted 24,000 patients. It performed 16,662 surgical procedures, including 1,020 open heart operations, 29 kidney transplants and 80 bone marrow transplants. The AirCare helicopter flew 742 missions.

Total revenue of the hospital during the year was $407,280,000. Cooperative Program gifts from the churches were $656,180, which was applied to the budget of the Department of Pastoral Care. The Mother's Day Offering and other special gifts from the churches totaled $424,406 and was used for benevolent care for patients who had no other means of paying their hospital bills.

The Pastoral Care Department, which is funded in part through the Cooperative Program, provided clinical pastoral education to 55 students during the past year. The Pastoral Care staff provided more than 53,000 specific ministries to hospital patients, family members, and staff. And, the counseling division provided over 24,000 counseling sessions. The professional staff of the Pastoral Care Department continues to respond to requests for help from churches in conflict, from pastors and their families across the state.

The various services of the hospital are readily accessible to all North Carolina Baptists and others. A telephone call to the Health-On-Call Office (919-716-2255) can secure an outpatient appointment with any one of the various specialists on the staff or can begin the process of gaining admission to the hospital if that need is indicated.

Charges for the hospital services compare very favorably with those in other hospitals of the state. Reports from the North Carolina Medical Database Commission indicate that Baptist Hospital's charges are lower than the average in other hospitals which provide similar services and are considerably lower than in the other teaching hospitals. Our hospital did not have an increase in it's rates for the current fiscal year of July 1, 1992 - June 30, 1993.

The hospital's physical plant continues to expand. A new 840-space parking deck was opened in January. A new Emergency Department/Dietary building which will also make possible more private patient rooms is under construction now. Construction will begin soon on the 170-bed skilled and intermediate care nursing facility and on the J. Paul Stitch Center on Aging and Rehabilitation. This expansion will make it possible not only to serve more people, but to serve them better.

The staff and patients of Baptist Hospital are grateful to North Carolina Baptists for the heritage they have given the institution and for the moral and financial support they continue to give to its ministry.

Dedication

James M. Johnson, son of Colin and Ethel Johnson, was born December 7, 1938 in Troy, North Carolina. He attended Montgomery County Schools and graduated from Troy High School in 1957. He was married to Ruth Bruamn on August 7, 1958 and they have two children and three grandchildren.

James was employed by Reynolds Texaco during high school and until going to work for Carolina Power and Light Company. Then, in 1962 he accepted employment with the U.S. Postal Service as a city mail carrier. After 30 years of service, James retired October 1, 1992 due to health reasons.

James was active in his church and community. Through the years at Pleasant Grove Baptist Church, he served as Sunday School Superintendent, Choir Director, Sunday School Teacher, Youth Director and Deacon. He also served as president of the Brotherhood.

James was active in local missions and made three trips to the foreign mission field. In 1984 and 1985, he went to Haiti to help build churches along with other Brotherhood members from Montgomery County. In April 1991, James went with other local Brotherhood men to Salvador, Brazil.

James was chosen by the U.S. Postal Service as the 1991 Volunteer of the Year for his work in the community. He had been a Little League baseball coach, a middle school basketball coach, a referee and the clock operator for West Montgomery High School since the school opened in 1962. He served on the Troy Town Board for several years. He became a member of the Gideons, Montgomery County Camp, in 1987 and served as president for three years. He was also a member of the Yokefellow Prison Ministry.

After a nine month battle with cancer, James made his final trip on January 5, 1993. His death was truly our loss but Heaven's gain. For all his service to Christ, to Montgomery Baptist Association and to the people of Montgomery County, we gratefully dedicate this Associational Annual in his memory.

Director of Missions
(Ben Hall)

As is true in life, so in the church and association - changes take place. We have seen changes in the churches and in the association. We have seen a few more people involved in the association. Our programs continue to give a challenge to the churches.

We have had several new pastors to come into our association during the year, yet still we have five churches without pastors. These are Calvary, Candor, Grace Memorial, Holly Mount, and Mt. Carmel. New pastors have been called to several churches this past year. Forks of Little River called Rev. Irvin Thompson who served the church twenty-six years ago. Liberty Hill called Rev. Billy Dennis and Tabernacle called Rev. Lee Church.

As reported last year, we were seeking to help a Polish Baptist Church to secure new beds for their youth camp. I am happy to say that we sent $3,200.00 to the church to assist in the purchase of the beds. Those beds were put into usage this summer in their youth camp. Yet, we still need $2,000.00 for the remainder of the beds. If your church has not participated in this worthy mission project, please help.

We are still ministering to many people through the clothing closet and the food ministry. Hardly a week goes by that we do not have new people needing help.

One area which I hated to see change was with the Laotian Ministry. We lost the Laotian pastor due to his health. Thus, this work is on hold. Our Hispanic work continues to grow. Rev. Cirilo Sanches continues to do a fine job with the work there.

As your church involves itself in the work of the association, you multiply missions and outreach for Christ here in the Montgomery Baptist Association.

Church and Community Ministries
(Vernie Rhodes)

Looking backward is a challenge at times. Reflecting on what has been always makes me think of what the future may hold. Let's look back for just a little while:

Soon after our year began, we became very busy with our "Seasonal Type" ministry endeavors. This included a Toy/Gift Ministry for Christmas. In 1992 there were twenty families served with Christmas gifts. Groups from our churches sponsored many of these families and others were served thru the associational office. Efforts were coordinated with other Christmas programs around the county, as much as possible, to avoid duplication and to see that none were left without. Much of this work is done by our Sharing Place volunteers. Delivery was handled along with the annual WMU Pounding. Most of the familes being pounded were those who had been in seeking help in recent months.

In January I began "Guide to Community Services and Christian Ministries" available in our area. This has been completed and is in the hands of each of our Pastors. This guide is designed to equip our churches to assist people in their community who are in need. While our churches certainly lend a helping hand, there are many established programs that are available to people if they just knew about them. The guide will help you to know where to find assistance to back-up what your individual church is doing to help a person or family. This is a means of giving some long-term assistance.

A Volunteer Appreciation Banquet, led by Mrs. Vada Whitaker, was held in February for all who had volunteered time in the various ministries of our association over the past year. There were approximately 25 present for this. Without our volunteers,

the ministries of our association would not be possible. Each is appreciated for what he/she does.

In August a Vacation Bible School was held at Samarkand Manor for the youth there. Eighteen (18) volunteers from seven (7) churches were involved in carrying out the VBS. Of the approximately 50 youth there, we had an average attendance for the week of 105 each evening. Participation was strictly voluntary on the part of the youth. You will be hearing more about Samarkand Manor as other ministries are opening up to us there even now.

The 1992-93 a total of 355 families, 1175 individuals, (that we have record) were served thru our various ministry efforts. The Sharing Place served many of these families. Assistance is given in our clothing ministry on a seasonal basis. Therefore, many of these were assisted three or four times during the year. Mrs. Vada Whitaker does an excellent job managing the work of The Sharing Place.

The Food Pantry shows a total of 417 disbursements over the past year. This would have served the needs of 1395 individuals. (Note: some of the above mentioned 355 families are served more than once.) This ministry has seen much growth over the year. There was a 35.8 percent increase over the 1991-92 church year.

During the year emergency assistance has been given to several "burned-out families." Also, funds from The Sharing Place have made it possible for us to supply lodging at our local motel for a couple of people who were homeless or stranded here for some reason. A few families were given heating assistance from this also.

While reflection is good - reflection with protection - followed by lots of action is better. There are areas of ministry already opening up within our association - others await us. Let's meet the challenge for 1993-94 to EXTEND PRESENT MINISTRIES, LOOK FOR NEW OPPORTUNITIES TO MINISTER, and BEGIN NEW MINISTRIES WHERE NEEDS ARE FOUND?

Let's give God the glory, for the things He has done in 1992-93 and praise Him for yet another year to SERVE our Lord and Savior, Jesus Christ.

WMU Report

Delores Hicks

The year 1992-93 was a year for leaders. The Women's Missionary Union theme was "Lead On." In observing our emphasis for the year, we sought to do the following: (1) To develop WMU leaders and members to be models of strong servant leadership; (2) To encourage and enable all people to recognize their potential for servant leadership in their spheres of influence, and (3) To lead all Southern Baptist to seek missions leadership roles and find a place to exercise spirit-endowed gifts in missions. There is no doubt that our greatest opportunity was in training and nurturing of new leaderhsip. Helping our members identify and use the gifts God gave them would bring them personal fulfillment, provide additional leadership we so desperately need, and will bring God's cause close to competition.

The 1992-93 Associational WMU Council members (WMU Director, Delores Hicks; Baptist Woman's Director, Phyllis Parks; Acteen Director, Kathy Garner; GA Director, Shirley Murdock and Mission Action/Personal Witnessing Director, Shirley Hall) were involved in many activities during the year.

DECEMBER: The annual "Christmas Pounding" was sponsored by the council. Shirley Hall, Mission Action Director, coordinated this project. Canned goods and staples were collected from 17 WMU organizations. Forty boxes of food were delivered to the needy in Montgomery county.

JANUARY: The Associational Acteen Activity was led by Kathy Garner, Acteen Director. The activity was held at Candor Baptist Church. Carol Hopkins, NCWMU, was the guest speaker.

FEBRUARY: An Associational GA Activity was held at Forks of Little River Baptist Church on February 6. Shirley Murdock, GA Director, led the activity and SBC Misisonary, Martha McAllister was the guest speaker.

MARCH: The annual Baptist Women Retreat was led by Phyllis Parks, BW Director at Prospect Baptist Church, on March 20. Karen McFetters from Forks of Little River Baptist Churck, taught the book *With a Servant Heart*. Nine ladies, five of them council members, from our association, attended the NC State WMU Annual Meeting at Ridgecrest.

APRIL: The 86th Annual Associational WMU Meeting was held at Pleasant Grove Baptist Church. There was a total of ninety-nine present, this included Baptist Women, Acteens, GA's, Mission Friends and Pastors. Daniel Callis, SBC Missionary to Brazil, was the guest speaker. WMU Officers for 1993-94 were elected: WMU Director, Delores Hicks; Assistant WMU Director and Mission Action/Personal Witnessing Director, Shirley Hall; Baptist Women Director, Phyllis Parks; Acteen Director, Friends Director, Lynn Griffith; and Secretary/Treasurer, Elen Sedberry. Other business voted on and passed was the budget and revision of the Bylaws.

MAY: A "Kitchen Shower" was given for Prince of Peace Baptist Mission. This mission action project was coordinated by Shirley Hall. There were fifteen organiztions that participated and we were able to furnish the mission with many needed items.

JULY: Six Assoicational Council members attended and participated in the State WMU Leadership Training session at Caraway Conference Center.

AUGUST: This year Phyllis Parks was the only WMU Council member able to attend WMU week at Ridgecrest.

SEPTEMBER: Associational Leadership Training Session was held at First Baptist Troy. This training session was led by the WMU Council members. There were thirty-six present with thirteen churches represented.

This past year has enabled us to assist three churches in starting new WMU age-level organizations. These were: New Hope Baptist, WMU/BW; Troy First, BYW; and Biscoe First, Mission Friends.

Shirley Hall, Mission Action Director, has led the Association in an on-going mission action project at The Sharing Place. Several churches have participated in this project.

The Montgomery Baptist Associational WMU Council has received another Certificate of Recognition from the State WMU for their outstanding work during the year.

Baptist Men

(Paul Gordon)

The purpose of the Baptist Men's Director is to support the churches of the Montgomery Association in its task of bringing men and boys to God through Jesus Christ by helping churches involve men and boys in missions.

The men of our association have been involved in (5) five projects in 1993:

1. Support was given in new mission work to Linden Baptist Church in Linden, North Carolina. Gene Singleton of Forks of Little River, Jerry Smith of Stoney Fork, and Paul Gordon of Mt. Carmel worked one day on siding and brick work. Fred Hare of Dover worked several days on finish work on the inside of the church.

2. Support was given in new mission work to Brunswick Islands Baptist Church in Holden Beach, North Carolina. Rev. Lonnie Gibson of Liberty Hill, Fred Hare of Dover, Jerry Smith of Stoney Fork, Danny Hinson and Paul Gordon of Mt. Carmel gave work in the first three weeks of the building program. They performed work on framing, vinyl soffit, brick work, installing windows, painting and installing floor tile in bathrooms.

3. The deck was renovated and new stairs built for the Prince of Peace Baptist Mission in Candor. James Johnson and Manly Green of Pleasant Grove, and Paul Gordon of Mt. Carmel were involved in this project.

4. One of our men, Jack Brewer, of Dover Baptist Church, spent two weeks in the Ukraine with the initial NC Baptist Men's group doing church construction. This is a part of our three-year partnership with Ukraine.

5. A new air condition/heat unit was installed in the association office. David Kime, Jr. of Hamer Creek, Danny Hinson, Ronnie Lucas and Paul Gordon of Mt. Carmel were involved in this project.

We are working on plans with "Mundo Vista" for winterizing summer cottages so they may be used year round. This is a joint effort with state WMU and Baptist Men. This will be an on-going project with 25 cottages. "Mundo Vista" is close by and the Montgomery Association should be able to support this construction project.

James Johnson our Baptist Men President passed away in January. He was very active and involved in many mission projects. He is and will be greatly missed. Gene Singleton is our new President. We ask for your prayers for Gene.

Sunday School Report

(Kenneth McNeill)

The Sunday School Theme for the 92-93 church year was "Breakthrough: Equip to Win."

Early on in this past year the ASSIST Team members did receive training through "Key Leadership" at Caswell, and have used this training to help equip Sunday School leaders within our association. We appreciate the work of the ASSIST Team, (Adult - Rev. Raleigh Castelloe, Youth - Dr. Benny Hampton, Children - Rev. Billy Dennis 93-94, Preschool - Rev. Ben Hall, Outreach/Evangelism - Rev. Alan Gore, Teaching Improvement - Rev. David Boroughs.) This team has been and is available to the churches for individual consultation and group workshops. Therefore, two equipping events were provided for Sunday School Leaders this past year.

Sunday School Directors and Pastors met for the "Great Commission Breakthrough Awareness Meeting." Many churches do not realize that they can have a consultant, who is coordinated through the State Convention, to come and work with their Sunday School for up to a year at a very minimal cost. The goal of this meeting was to help inform our churches about this excellent approach to helping our Sunday Schools Breakthrough a declining state.

All Sunday School leaders were encouraged to attend the Sunday School Literature workshop in August. The goal of this event was to help leaders and teachers understand how to better choose and use their literature. There was also a good emphasis on Outreach/Evangelism. Attendance was poor for this workshop, but those attending received valuable information.

In 93-94 our theme is, "Breakthrough: Serve to Win." This can be a great year of growth for churches within Montgomery Baptist Association if we will plan, set goals, set objectives for meeting those goals and work together to see that they are met. Usually strong Sunday Schools make strong growing churches!

Please pray for your Associational Sunday School Director and your ASSIST Team. Please give your suggestions so that we might know how to better facilitate your needs in your particular Sunday School setting.

Evangelism Report

(Curtis Blake)

The baptism report from our 29 churches did not change this past year (1992-93). We seem to be stuck on baptizing 100 people a year. We do thank God for these precious souls, but we should be doing more in Evangelism in our association. Six had no baptisms. Prospect Baptist Church led all churches in baptisms with 18. This is the third year in a row they have won the "Outstanding Church in Evangelism Award."

Again this year, we had a training school in evangelism held at Dover church. The one-day event was attended by about 20 people.

The highlight of our associational year in evangelism is our annual Evangelism Conference. We had another wonderful meeting at First Church, Troy, but we had a low turn-out for the conference.

This will be my last year to serve as your Associational Evangelism Director. Thank you for allowing me to serve you these past 3 years. It has been a challenging assign-

ment. I hope you will give your next director all your support in helping win people to Christ in our association.

Church Music

(Mark Hill)

Church music is a source of inspiration, service, outreach and fellowship for each local church. Associational church music can involve each of those same elements as we work together on a larger scale to share Jesus Christ through music.

This past April '93 we met at First Baptist Church, Troy for an Associational Song Fest. What a delightful time we had sharing together in song! We had a great representation of solos, groups, and choirs and enjoyed some congregational singing, too.

Overall this past year our children's choirs grew from the previous year. We have 14 churches with children's choirs, and enrollment increased by 32 children for a total of 153 singing boys and girls. The enrollment for youth in various musical groups (choirs and bells) totals 128. Adult choirs (representing 25 of our churches) make a total of 368 singers. With ensembles, leaders, and all choirs totaled, we in the Montgomery Baptist Association, have 872 persons involved in music ministry.

We look forward to another year of music in our churches and in our association as we work together for the Lord.

Senior Adult Report

(Jennifer Boroughs)

The senior adults of the Montgomery Baptist Association held their annual covered dish event on June 5, 1993 at First Baptist Church of Star. The Strider Family Singers from Seagrove provided an hour of music and worship. The covered dish meal followed.

N.C. Baptist Hospitals Report

Founded in 1922, Baptist Hospital is a missionary enterprise of the Baptist churches of North Carolina. The essence of our purpose is to carry out a ministry of healing as taught by Jesus Christ. We remain as fully committed to this mission as were our founding fathers. In the midst of changing health-care norms, we have not, nor will we, deviate from this mission. The following paragraphs report, not only basic facts, but various results of how we have sought in the last year to remain true to our heritage while providing quality health care at affordable prices.

PROVIDERS AND RECIPIENTS OF HEALING

Our healing team now consists of 5,852 employees. The Medical Center (NCBH and BGSM) personnel total employment is fast approaching 9,000 people making us the second largest employer in Forsyth County. In our 806-bed facility, we had 23,247 inpatient admissions. Our Outpatient Department, physicians' clinics, and other related departments received 490,667 patient visits.

Our chaplaincy division joined with our health-care professionals to provide spiritual and emotional healing. With 15-40 chaplains present at various times, 52,934 ministries were provided to patients, families, staff and groups.

A new department of our Pastoral Care program named the Center for Congregational Health was given birth. Its purpose is to (1) train Intentional Interim pastors; (2) train church leaders; (3) provide a minister's assessment program; (4) establish a Minister's Help Line providing an opportunity for church leaders to receive guidance via a telephone call. The Pastoral Counseling Division opened a new counseling center in Wilmington bringing our total counseling centers to 11 across the state. The centers provided 16,205 counseling sessions.

POINTS OF EXCELLENCE

(1) The Joint Commission on Accreditation of Healthcare Organizations ranks Baptist Hospital in the top 9% of all hospitals in the nation.

(2) We performed our first pancreas transplant and first double organ transplant (pancreas and kidney) this year.

(3) We are one of only 26 comprehensive cancer care centers in the nation, treating more cancer patients than any hospital from Baltimore, Md. to Atlanta, Ga.

(4) Quality infant through adolescence care in our Brenner Children's Hospital.

(5) Our neonatal transport team is the largest in North Carolina and one of the 10 largest in the U.S.

(6) Our Level I (highest awarded) Trauma Center has 2,100 admissions a year.

SUPERB FINANCIAL STEWARDSHIP

In the midst of escalating health-care costs, we have a proven record of excellent stewardship.

(1) The latest report of the North Carolina Database Commission comparing hospital major services charges vs. Baptist Hospital reveals, for our most frequent diagnoses:

Duke 36% higher

Carolina's Medical Center (Charlotte) - 36.5% higher

UNC-Chapel Hill - 28% higher

Average statewide - 9% higher

(2) We are one of only 17 similar hospitals nationally with a "AA" bond credit rating.

(3) Averaging the last two years and the projection for 1993, the Consumer Price Index will average 3.9% and the Medical CPI will average 9.7%. Baptist Hospital charge increases for the same period will average 3.3%, well under both the above mentioned indexes.

EXPANSION FOR MEETING THE NEEDS OF THE FUTURE

Nursing Center at Oak Summit

Opening in July, this 170-bed facility provides skilled and intermediate care. The center will be one of only a few in the state to provide care for ventilator-dependent patients.

Emergency Department/Dietary

Under construction at the present time to be completed by June 1995, this facility will total 750,000 square feet. Our current ER was designed to handle 29,000 patients annually, but it is handling more than 40,000. Our new ER capacity will be 70,000 annually. This building will also house three floors of patients private rooms, our Pharmacy Department, and a 35-bed Day Hospital, new kitchen and cafeteria.

J. Paul Sticht Center on Aging and Rehabilitation

Construction on this facility begins in November of 1993 and is scheduled for completion in January 1996. It will include geriatric care, research, and education; psychiatry; and also provide comprehensive acute rehabilitation services including nutrition assessment, physical, outpatient, speech, and recreational therapy.

BAPTIST BENEVOLENT CARE FUND

Last year Baptists across our state gave $422,000 to our annual Mother's Day Offering. All of these monies went toward relieving the financial burden of scores of former patients who have little or no health-care insurance and no financial means to pay their hospital bills. The churches and individuals help make this ministry we share together says to our patients and their families: "We care about your health-care needs, your spiritual and emotional needs, and your financial burdens, and we express our caring through service."

Chris starts college at North Carolina State this fall on a football scholarship. After leading Thomasville to a state championship in 1991, Chris also earned national honor society recognition, was active in the community counseling drug abusers. . . and became a Christian at Mills Home.

Kathy married a Christian young man who was a volunteer at Broyhill Home, where she lived. She continues her education at Haywood Technical College while working and becoming a young wife. She and her husband, Kris, are are members at Woodland Baptist Church, where she was active in leading children's programs, even as a Broyhill resident.

Several rows of supportive staff members cried during the wedding when the minister asked, "Who gives this woman to be married?" Child care worker Jim Johnson responded, "Her mother and I do."

"Her mother," was Jim's wife, Vivian. Together, Jim and Vivian helped Kathy develop from an angry and withdrawn child, to a beautiful, confident, Christian leader.

Ashley was growing up too fast. . . and her parents didn't know how to handle it. They wanted to treat her like a child; she wanted adult freedoms. When their cons-

tant clashing came to blows, they knew they needed help.

Through the family clarification program at Mills Home, both Ashley and her parents learned the roles they played in the family conflict, and how to listen, forgive and adjust in the future.

"We're very grateful to Baptist Children's Homes," said Ashley's mother, Victoria. "I don't know what we would have done. I don't know what would have happened to Ashley. I've had friends say to me, 'I never knew there was a place like that.'"

Well, there is a place like that.

Thank God.

Baptist Children's Homes in 1992-93 served 1,453 children and their families through programs of intentionalized services at 13 facilities across North Carolina.

Those facilities include four residential care campuses; seven emergency care homes; two homes for behaviorally troubled girls; therapeutic camping for boys; a maternity home; a home for teen-age mothers and their babies and a model daycare facility.

Baptist churches, through the Thanksgiving Offering, Cooperative Program and direct gifts funded about one-third of BCH's $10 million budget. A significant source of income continues to be from estate gifts from those who remember children in their wills.

BCH's model daycare service took a giant step June 27 when the new $1 million, 10,000 sq. ft. Fleshman-Pratt Early Childhood Education Center was dedicated. It will accommodate 75 infants, toddlers and two-year olds.

During dedication, Robin Britt, N.C. Secretary of the N.C. Department of Human Resources, said BCH is "a true model of how young children can be shaped, nurtured and loved," and that "we will be looking at institutions like the Fleshman-Pratt Early Childhood Education Center as we find models to replicate."

T. Winfield Blackwell, president of the Fleshman-Pratt Foundation, whose lead gift started construction of the building, said, "Think how many children will be raised and shaped by the dedicated staff who serve here, and surely a goodly number will be developed, not only to be good citizens, but active ministers in God's service."

Churches interested in beginning or improving their daycare ministry can get free help from director Mary Lou Dickey. Call (919) 472-3503.

BCH also dedicated a counselor's lodge at Cameron Boys Camp; completed a strategic planning cycle for the next three years; celebrated the 50th anniversary of Odum Home in Pembroke; completed a three-year partnership with the Baptist Children's Homes of Sao Paulo, Brazil; and produced a new video about BCH, available Aug. 15.

Swelling with emotion at the dedication of her new building, Daycare Service Director Mary Lou Dickey promised,"we will not fail" those who trust BCH with their children.

Michael C. Blackwell, who celebrated his 10th anniversary as president of BCH July 1, echoes that promise. "Baptist Children's Homes has been a cutting-edge ministry for North Carolina Baptists since 1885. As a disintegrating society moves the edges further and further, we're honing our ministry sharper and sharper. Thank you, North Carolina Baptists, for your support."

Baptist Retirement Homes

1993: THE BEST OF TIMES

Did you know that:

In 1993, North Carolina reached place number ten (10) among all the states in the United States in regard to the size of its adult population over the age of sixty-five (65).

That one-half of all the people who have ever lived to be sixty-five (65) are now living.

The fastest growing segment of North Carolina Baptist life is composed of those adults eighty-five (85) and older and that by the year 2000 that age category will double in size.

That by the year 1996 North Carolina's "Baby Boomers" will be turning fifty-five (55) every 18 seconds.

That by the year 2010 one out of every two people living in North Carolina will be fifty (50) years of age or older?

What do figures like those above mean for North Carolina Baptists?

They point to the fact that one of the greatest needs facing our Convention as we

move into the year 2000 is the provision of quality, affordable long-term care services to functionally impaired Older Adults through the expansion of existing long-term care facilities, and through the development of creative approaches to long-term care such as rural home health services, community day care programs, and respite programs for homebound care providers.

In an attempt to meet the above mentioned need, Baptist Retirement Homes of North Carolina, Inc. in 1993:

Opened the Rickman Nursing Care Center in Asheville, North Carolina (a 100 bed Medicaid certified nursing care facility).

The Rickman Center is a state-of-the-art long-term care facility that has been developed to meet the needs of the poor elderly in Western North Carolina. (80% of the resident population will be recipients of benevolent funding).

Renovated the Albemarle Baptist Home in Stanly Baptist Association and renamed it the Taylor House. The Taylor House has no financial requirements for admission and is designed to provide care to the assisted living level of care resident, regardless of his/her ability to pay for the long-term care services provided.

Developed a new addition to the Brookridge Health Care Unit in Winston-Salem in order to provide an area for small group work with residents suffering from dementia. This state-of-the-art program will enable Baptist Retirement Homes' staff to improve the quality of life experienced by members of its resident community who are mentally impaired.

Baptist Retirement Homes is keenly aware of the fact that without the support of North Carolina Baptists none of the above would have been possible. As a result of the prayers and funding that the "Homes" receives through the Cooperative Program and the North Carolina Offering For Older Adults, it has been able to offer hope to many Older Adults whose future would have been uncertain without the caring involvement of North Carolina Baptists. It is because of you that our institution has been able to make life for many Older Adults in 1993...The Best of Times.

Thank you North Carolina Baptists for your support!

The Biblical Recorder

Associational Report - 1993

The only thing that is unchangeable is change itself! For most of us it is impossible to comprehend the radical and often destructive changes which are taking place in our world. In politics, morals, economics and church life, our Baptist world is faced with decisions and issues without equal.

Whatever one's view may be, there is an indispendable need for correct and reliable information. The *Biblical Recorder* was born and continues to serve for that purpose. Never was the *Recorder* more needed than now.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic age where we often think we know the answers to the issues only to discover we do not.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based

upon accurate information from reliable sources.

The most important thing facing us at this point is to get the *Recorder* into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches. We need your help!

In order to save churches large amounts of money and to increase the readership of the *Recorder,* Church News Service (CNS) was launched in 1990. This system lets any congregation have their church newsletter incorporated into the *Biblical Recorder* which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. Anticipated increases in mailing costs makes CNS a greater value in 1994 than even when it was started in 1990.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the *Recorder* was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

Christian Action League Report 1993

Do you believe in miracles? They still occur, and we experienced one in the 1993 session of the N.C. General Assembly. No gambling legislation was enacted during that legislative session.

When the legislators came to Raleigh on January 27, 1993, veteran legislature observers admitted that this was the year for a state-operated lottery bill to get out of the General Assembly. Both Governor James B. Hunt and Lt. Governor Dennis Wicker, both former lottery opponents, had endorsed the proposed lottery legislation. Furthermore, there were 42 new House members, and a large majority of them had campaigned supporting the lottery. Out of the key elected state officials, gambling opponents had only one friend, House Speaker Dan Blue, and he made no apologies about his opposition to state-sponsored gambling.

What happened? Concerned Christians began to speak up and contacted their legislators. By the time, Senate Bill 11, The State Lottery Act, had passed the Senate by a vote of 27-23, House members who had campaigned supporting lottery legislation began contacting members of the House Committee on Constitutional Amendments and Referenda to keep the bill in committee.

In the meantime, some 20 workshops were conducted throughout the state educating and motivating the Christian community about this insidious evil under the sponsorship of the League, N.C. Baptist Men, Woman's Missionary Union, the Council on Christian Life and Public Affairs, and the N. C. Christian Coalition. Resource leaders included Dr. Norman Geisler, author, *Gambling a Bad Bet*; Dr. Patrick An-

derson, Professor of Criminology, Florida Southern College; Dr. Paul Jones, Executive Director, Mississippi Christian Action Commission; Bill Brooks, Executive Director, *Citizens Against the Lottery*; from the Baptist State Convention, Doug Cole, Executive Director, Christian Life Council; along with George Reed, Director of Christian Citizenship; and members of Gamblers Anonymous.

In the closing days of the legislative session, Rep. David Redwine, (D-Brunswick), who has introduced lottery legislation for the past 10 years, requested that the bill be held over until the 1994 session.

Of course, this will give the $300 billion gambling industry some 10 months to regroup their supporters. Also it will give concerned Christians the time to get their message to lawmakers that gambling is bad public policy, and such legislation ought to be defeated.

There is also a pari-mutuel gambling proposal (horse racing with off-track betting parlors) before the General Assembly. The Senate Bill has already passed a Senate Committee and is currently in the Senate Finance Committee. The House Bill has also passed a House Committee and is currently in the House Appropriations Committee. Both bills are eligible for the 1994 session.

Someone has said: "The only lesson we learn from history is that we don't learn from history." North Carolina had an experience with pari-mutuel gambling with dog tracks in Currituck and Carteret Counties in the early 1950's. The N.C. Supreme Court closed them down as being a public nuisance.

Perhaps there is no industry that is "riddled" with corruption as much as the gambling industry. Last year we had legislators indicted in S.C. for accepting bribes from gambling lobbyists. Some 10 public officials have pled guilty to corruption charges in Kentucky over a gambling "scam", and 12 others are under investigation. In Arizona, legislators have gone to prison due to a gambling scandal. We have had Governors from West Virginia and from Maryland to go to prison due to gambling scandals in their respective states. Wherever you have legalized gambling, undoubtedly, you will find corruption in government.

This is why it is urgent for committed Christians to contact their legislators and urge them to oppose any gambling proposals.

DRUNK DRIVING: When you deal with politicians, tenacity is a key. For ten years, we have sought legislation that would establish .08 breathalyzer reading as the standard for drunk driving in North Carolina. In the past, we were able to get such legislation through the House, but the Senate was the graveyard. The measure would always be referred to a hostile Senate Committee composed largely of trial lawyers, and that would be "death" to such a proposal.

With a change in Senate leadership, the .08 breathalyzer legislation will become law on October 1, 1993, which will be a useful tool in helping to remove drunk drivers from the highways.

The League continues to assist local communities in combatting our No. 1 drug problem, alcohol. Let us know if a liquor referendum is to be held in your area, and we will be ready to help.

Thank you for standing with us in the cause of Applied Christianity through your prayer and financial support.

Sincerely,
Joe S. Lennon, President

North Carolina Baptist Foundation Report

The North Carolina Baptist Foundation works diligently in service to Christ as directed by the agency's Mission Statement:

"The North Carolina Baptist Foundation is an agency of the Baptist State Convention of North Carolina committed under the guidance of the Holy Spirit to serving North Carolina Baptists and others in generating an increased awareness of Christian estate stewardship principals as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis.

And further, the Baptist Foundation Staff and Board of Directors are committed to being scrupulously moral, legal, efficient and accurate in carryout out the intent of each donor and trustor whose funds are placed under management of the Foundation as a means of sustaining a tangible and perpetual involvement in presenting the Gospel, meeting human needs and strengthening all bodies of Christian fellowship where Christ is the Head."

The total market value of the assets of the Foundation at the end of 1992 was $41,880,638., an increase of almost $5.6 million over the end of 1991. Typically, assets are either held as endowments paying interest income in perpetuity to named Baptist causes, or they are held in trust with current income being paid to individuals and future income to be paid to Baptist causes in perpetuity. Additionally, the Foundation offers fund management for Baptist causes on a revocable basis.

Earned income distributed and paid to Baptist churches, institutions and mission causes during fiscal year 1992:	$1,182,203.
Earned income distributed and paid to individuals (with Baptist causes named as future beneficiaries) during the fiscal year 1992:	$1,024,007.

In 1992, and continuing into 1993, the Long Range Planning Committee of the Board of Directors met extensively to lay the groundwork for the Foundation's goals and objectives for the next five years. The previous five years were quite successful with ambitious financial goals being met early on. It is anticipated that the Board's work in evaluating the past and present status and in laying a road map for the future will result in exciting times ahead.

The staff of the Foundation consists of seven full time employees and two persons who provide part-time service in accounting and legal services. The office is located in Cary next to the Baptist State Convention building. Visitors are welcome and are encouraged to stop by for professional assistance or just to say hello.

Home Mission Board Annual Report

The Home Mission Board (HMB) is a missionary-sending agency of the Southern Baptist Convention (SBC). Headquartered in Atlanta, GA, the HMB's purpose is

to serve Southern Baptists by assisting churches to proclaim the gospel of Jesus Christ, start and grow New Testament congregations, and minister to people in the name of Christ.

At the end of last year, 4,868 missions personnel were serving in the United States, the Caribbean, American Samoa, and Canada. The HMB also had endorsed more than 2,200 chaplains who were serving in healthcare agencies, institutions, businesses, the military, and pastoral-care roles. More than 2,400 Mission Service Corps volunteers were serving on home mission fields. During the year there were 367,847 baptisms and 1,281 church starts.

Approximately half the HMB's support comes from individual SBC churches through the annual Annie Armstrong Easter Offering for Home Missions. In 1992, gifts to the offering totaled $37.61 million, up almost 6 percent from the 1991 total. One hundred percent of the offering goes to support the work of home missionaries in the field. The 1993 Annie Armstrong Easter Offering goal is $38 million. About 36 percent of the HMB's income comes from the denomination's Cooperative Program.

Home missions is a partnership of the HMB, state conventions, associations, and churches. The HMB's strategy is to help start churches, ministry endeavors, and evangelism efforts that will grow to self-support or be carried on by local churches or associations.

The following is a summary of program/support ministry highlights from 1992:

CHAPLAINCY MINISTRIES: The 2,293 Southern Baptists now serving as chaplains and pastoral counselors reported 24,000 professions of faith and 4,600 baptisms.

ALTERNATIVES TO ABORTION: Workers in 23 crisis pregnancy centers received training from the HMB. As a result of the ministry of these centers, 2,164 babies were born and 832 women found faith in Christ.

CHURCH LOANS: More than 1,100 churches had active loans totaling $115 million. These loans purchased, refinanced, remodeled, or constructed 106 buildings and purchased 9 building sites.

LANGUAGE MISSIONS: Home missionaries and pastors in the Language Church Extension Division serve among 102 ethnic groups using 98 languages and dialects.

PERSONAL EVANGELISM: During the Southern Baptist Convention in Indianapolis, 1,353 volunteers canvassed 45,235 residences, conducted a religious survey, and shared the gospel with 2,905 individuals, 361 of whom made professions of faith.

PRAYER AND SPIRITUAL AWAKENING: A national team began efforts to enhance effective prayer and revival ministries in churches. The Intercessory Prayerline grew from 7,500 calls in 1985 to 130,000 last year.

VOLUNTEERS: Over 71,000 Southern Baptist adults, college students and youth group members volunteered for long- and short-term projects. More than 58,000 volunteers responded to disaster relief efforts in Florida, Louisiana and Hawaii.

SPECIAL MINISTRIES: Southern Baptists minister to seamen in 37 port cities and 200 missionaries are involved in ministries related to college students, resorts, special events, and diplomats.

The Christian Life Commission of the Southern Baptist Convention

The Christian Life Commission has been charged by the Southern Baptist Convention to assist Southern Baptists in applying Christian principles in every relationship and area of their lives. During the past year, the Commission engaged in a series of programs and activities designed to help Southern Baptists apply Christian truths in family life, citizenship, religious liberty, race relations, alcohol and drug abuse, hunger, pornography, gambling, and sanctity of human life including abortion, infanticide, euthanasia, and "assisted" suicide. Commission activities included organization, education, preaching, speaking, teaching, writing, and channeling. The Commission attempted through a wide range of activities to correlate and coordinate Southern Baptists' impact concerning both private and public moral concerns and to challenge and energize Southern Baptists to engage the culture through informed and committed involvement with moral, social and public policy issues.

The Convention's action in its 1991 annual meeting, merging the Public Affairs Committee members and functions with the Commission, further enhanced the Commissions' responsibilities in the religious liberty, church-state arena. Appropriate changes in its Program Statement more accurately reflecting this responsibility were made by the Commission and the Convention responded by approving these changes in its 1992 meeting. The Commission has long had the responsibility of challenging Southern Baptists to understand their responsibility be the salt and light in society that Jesus commanded his disciples to be. It has been very helpful to have the freedom under its expanded program assignment to help Southerns understand their historic right to be involved as citizens in the public policy issues faced by our nation.

The Commission continued its long-standing efforts to work closely with state Baptist conventions with full-time and part-time Christian ethics workers and active Christian Life Committees at the association and local church levels. At the national level, the Commission gave ongoing attention to the development of closer working relationships with various Southern Baptist Convention agencies with related program assignments and interests. Cooperation at various levels with these agencies greatly enhanced and extended the Commission's effectiveness. The Commission sought to develop and maintain good working relationships with the Christian ethics departments of the six Southern Baptist theological seminaries and universities and colleges.

The Commission provided support materials to assist Southern Baptists in the observance of seven special emphasis Sundays related to Christian ethics on the denominational calendar. These are Sanctity of Human Life, Race Relations, Alcohol and Drug Abuse Prevention, Religious Liberty, and Christian Citizenship Sundays and Day of Prayer for World Peace and World Hunger Day. The Commission provided Southern Baptists support materials in these areas which included special themes, topics, art work, photographs, posters, and bulletin inserts. News releases, photographs, issue analysis articles, guest editorials, and special features were used by *Baptist Press, the Baptist Bulletin Service,* Baptist state papers, and the secular print and electronic media to support the Commission's assignment of "helping changed people change the world."

Through its Washington office, the Commission played an increasing role in moral leadership in the nation's capital. The presence of Washington-based staff greatly enhanced the Commission's ability to fulfill the part of its Program Statement which calls on it to "bring to bear Baptist statements, convictions and insights in the field of Christian ethics and religious liberty upon important policy-making groups" and to "present Southern Baptist insight for consideration in the planning of federal government programs on children and youth, aging, housing, employment, public health, and other matters pertaining to social welfare." The Washington and Nashville staffs

worked diligently to share with Congress and the White House numerous convictions and concerns of Southern Baptists. Staff members actively corresponded and met with members of the legislative and executive branches of the federal government concerning areas of Southern Baptist concern. The Commission remained particularly concerned about the serious threats to religious liberty posed by recent Supreme Court decisions and worked closely with a coalition of groups to remedy the threat through legislation and judicial action. The Commission continued to pursue the fulfillment of its Program Statement this past year through the filing of *amicus curiae* "friend of the court" briefs in cases involving religious liberty. The Commission produced, in partnership with the National Association of Evangelicals, a manual entitled *Citizen Christian Awareness Campaign: A Manual for Prayer and Action* for setting up an ongoing committee in local churches to promote church members' need to pray for government leaders and be informed voters at every level of government. The Commission called Southern Baptists to greater understanding that our faith calls us to informed participation in our nation's political process.

The Commission's 1993 annual national seminar in Nashville, Tennessee was entitled "Life at Risk: Crises in Medical Ethics." The program combined interpretive biblical themes with addresses on subjects such as "Abortion," "Euthanasia, "Physician-Assisted Suicide," "Living Wills," "Genetic Engineering," and "RU-486." The seminar also included a luncheon discussion of the public policy aspects of these critical issues where seminar participants had an opportunity to interact with various experts on these issues.

The Commission was extremely active in the area of the Sanctity of Human Life, preparing a wide range of materials to assist Southern Baptists in celebrating last January our most widespread and successful observance of Sanctity of Human Life Sunday ever. The Commission produced a new video entitled "The Sanctity of Human Life," which premiered this past September and was very enthusiastically received by Southern Baptists. The Commission provided leadership in the National Coalition Against Pornography and during Bible Preaching-Church Administration and National Student weeks at Ridgecrest and Glorieta. Commission staff served as resource persons in events held in numerous state conventions as well as for other Southern Baptist agencies and entities.

The Commission continued its responsibility assigned by the Convention for education and action related to the issue of hunger. The staff produced the 1992-1993 World Hunger Awareness/Action Guide entitled *Homeless and Displaced*, which sought to discuss hunger in the context of homelessness. This guide was mailed to every church in the Convention to encourage and support the observance of World Hunger Day.

The circulation of *Light*, the Commission's bimonthly moral concerns journal, and *Salt,* the bimonthly Washington office newsletter, continued to experience rapid growth, which reached approximately 75,500. The expanded special election edition of *Salt* (comparing the major parties' positions on numerous issues) generated an unprecedented response with more than 250,000 copies ordered and distributed.

The Commission is committed to a complete gospel for the complete person and rejects any inherent conflict between the social and salvation aspects of the gospel. It is wrong to seek to feed the hungry and not tell them about the bread of life, shameful to seek to clothe the naked and not tell them about the whole armour of God, a disgrace to seek to house the homeless and not tell them that in our Father's house are many mansions. It is also less than complete obedience or full discipleship to proclaim salvation and not also seek to minister to people's earthly needs as well.

ARTICLE 2. The purpose of this association shall be the promotion of Christ's Kingdom among men. The means of accomplishing this shall be in conformity with the New Testament under the leadership of Christ.

Our goal in accomplishing this purpose shall be to nurture harmony in faith and practice among the member churches; to promote missions within the association by calling churches to support local, state, national and foreign missions; providing opportunities for working together in missions, ministry, growth and training in evangelism. This should be done by enlisting the member churches in a spirit of love and cooperation that the gospel of our Lord Jesus Christ might be proclaimed effectively in our association, state, nation and around the world.

ARTICLE 3. This Association shall be composed of: (1) three messengers from each cooperating church of 100 members or less and one additional messenger for each 100 members or fraction thereof above the first hundred except that no church shall have more than ten messengers; (2) all active pastors of churches in the Association; (3) all officers of the Association; (4) the Associational Director of Missions; (5) all members of all standing committees of the Association.

ARTICLE 4. It is understood that each church in cooperation with the Association is independent and sovereign in its own affairs, and the Association has no authority over the churches, except of an advisory nature.

ARTICLE 5. The Association may invite visiting and corresponding brethren to seats, and extend to the privileges of the body, except that of voting.

ARTICLE 6. The Association shall not maintain fellowship with any of the churches which fail to observe Gospel order.

Director of Missions

(Ben Hall)

It is hard to believe that the Associational Year, 1993-1994, has come to a close. As I reflect back on the year, it has been full of frustrations for both the association and the churches. We have several churches without pastors. These churches are as follows: Candor, Dover, Eagle Springs, Exway, Hamer Creek, and Wadeville. The following churches have called new pastors during the year: Calvary called Rev. Bill Turnmire, Grace Memorial called Rev. Lonnie Gibson, Holly Mount called Rev. Steve Mabery, Mt. Carmel called Rev. Grady Blakely, and Prince of Peace Spanish Mission called Rev. Ernesto Robledo.

Also, First Baptist Church of Troy lost their Music/Youth Director Mr. Mark Hill and called Mr. Ryan Weaver as Youth/Outreach Director.

We lost many of our Associational leaders such as Sunday School Director, Discipleship Training Director, and the Evangelism Director. This has made it hard to carry on the work of the association with a regular procedure. We have also been without an associational clerk this year.

Yet, all has not been negative. We have seen good work go on regardless. The highlight of the year was our World Mission Conference--with eleven of our churches participating. We were inspired, and received a new challenge to be about the work of the Lord to share Christ across our association, state, land and world. Several of our churches have become more directly involved in missions by helping with some of the work and needs on the home mission fields.

Let me encourage the churches to be on mission and involved in missions through

the Association as well as in their own setting. There are so many in our area that are hurting and need Christ. Let's make this a year of sharing as we come to the Here's Hope Crusade in 1995.

Church and Community Ministries

(Vernie Rhodes)

It is time once again to reflect over the past year with a closer focus on Church and Community Ministries within Montgomery Baptist Association. Taking time to look back at the year's end is good in that it presents a challenge to work harder and accomplish more for our Lord thru Church and Community Ministries.

A total of 356 families, 1192 individuals received help thru associational ministries this year. The Food and Clothing ministries have remained busy. The Food ministry has served more people than last year, with a total of 469 disbursements, or 1361 individuals being served. (Figures are approximate.) The Home Mission Board supported this ministry with a $2,500 contribution this year. Our clothing ministry, The Sharing Place, has served our area immensely this year. Several families were given assistance following the loss of their homes by fire. Furniture items were given to many families who were in need.

We have strived to keep the lines of communication open and work with other community organizations in our area. Many ladies and children were given clothing and household needs as they were referred to us by the Woman's Crisis Council. Many low income families and homeless people were assisted who came in seeking help, many of whom were sent to us from Social Services, the Food Stamp Office, the Health Department, and SCAP (Sandhills Community Action Program). Aid has also been given to people in cooperation with St. Joseph Medical Center, Hospice Program.

Many children were served with Christmas toys again this year--58 in fact. Then, of the families that had recently come into our office seeking help, 50 families were referred to the WMU for the annual WMU pounding.

Individual donations have made a Crisis Ministry possible on a small scale. This ministry has aided several families with things such as heat, electricity, or gas to travel back and forth to the doctor. There is a much larger need here than finances have allowed us to respond to but with God's help, it will grow.

Samarkand Manor allowed us once again to hold VBS there for the youth. Total enrollment this year was 111 youth, and 12 volunteer leaders. Average attendance was 92. Let's praise God for 26 decisions that were made there that week. One Bible Study Group has been started at Samarkand--more are needed. Some have expressed interest in "One-On-One" Ministry with the youth there. Certainly this is an area of ministry that has much potential for growth.

Please support the ministries of your association with your prayers, your time, and your talents. I pray that we will enter the 1994-95 church year with a new determination to reach more people for the Lord thru ministering to their immediate needs.

WMU Report

(Delores Hicks)

Our 1993-94 hymn, "O Lord Who Came to Earth to Show," outlines the key elements of our emphasis, Serve in Christ's Name. All Christians are called to fulfill Christ's word in the Great Commission in its entirety. The mission task is carried out by individuals, families, and large or small groups as they select avenues of involvement. WMU in the association seeks to facilitate missions involvement and to equip missions-minded people to follow the way of truth and love.

As we served in Christ's name, we wanted to create awareness of Women's Missionary Union as a proactive organization involved in redemptive ministries of comfort, peace, and hope. We had a commitment to recognize them in their efforts, to assist whenever possible, to actively work together in the spirit of Christian love for each other and for all people.

The 1993-94 Associational WMU Council members (WMU Director, Delores Hicks; WMU Assistant Director & Mission Action/Personal Witnessing Director, Shirley Hall; Baptist Woman's Director, Phyllis Parks; Acteen Director, Kathy Garner; GA Director, Shirley Murdock; Mission Friends Director, Lynn Griffith; and Secretary/Treasurer, Jean Cranford) were involved in many activities during the year.

NOVEMBER: On November 1st, we observed the Baptist Woman's Day of Prayer in a service at Troy First Baptist Chapel. There were 35 in attendance, with several churches represented. The love offering was $100.16 which we were able to forward to the North American Baptist Woman's Union, which is part of Women's Dept. of the Baptist World Alliance.

DECEMBER: The annual "Christmas Pounding" was sponsored by the Council. Shirley Hall, Mission Action Director, coordinated this project with great success. WMU organizations from 19 churches participated. This enabled us to deliver food to forty-three families.

JANUARY: Prince of Peace, in Candor started a Mission WMU. The council assisted them in purchasing some of their literature. The Acteens held a Studiact Workshop at Troy First Baptist. There were seven present.

FEBRUARY: An Associational GA activity was held at Forks of Little River Baptist Church. Shirley Murdock, GA Director, led the activity. The WMU council co-hosted an Appreciation Dinner for the volunteers and their wives who worked so faithfully getting the Hispanic Mission and the living quarters ready for the new pastor and his family.

APRIL: There were eight ladies from our association who attended the NCWMU Annual Meeting at Ridgecrest. Six of these ladies were WMU Council members. The 87th Associational WMU Annual Meeting was held at Laurel Hill Baptist Church. There were only 64 in attendance. The guest speakers were Ernesto and Irma Robledo. They shared with us what they were teaching and what they hoped to accomplish. Beth McDonald, Chairman, Camp Mundo Vista Campaign, gave a short skit and talk about the Camp Mundo Vista Dream. The love offering of $142.63 was given to Beth

McDonald for the Camp Mundo Vista Campaign. The Acteens and GA's assisted in the capacity of ushers and nursery workers.

MAY: Three of the WMU Council members, along with two ladies from Forks of Little River Baptist Church, and twelve of our GA's attended the Camp Mundo Vista 25th Celebration Day at Camp Mundo Vista.

JUNE: There were two adults and five Acteens from the First Baptist Church, Troy, that went to Birmingham, Alabama for the NAC (National Acteen Convention). These girls worked hard to raise money for their trip.

JULY: All of the WMU Council, along with Ben Hall, DOM, and Ginger Roy, Nominating Chairman, attended the State WMU Leadership Training Sessions at Caraway Conference Center.

AUGUST: Again this year, there were three council members who participated in the Samarkand VBS. Shirley Hall, worked at the VBS at Prince of Peace. Refreshments were furnished by the WMU organizations and were served by the Acteens and their leaders. The annual Baptist Woman's Retreat was led by Phyllis Parks, BW Director, at Candor Baptist Church on August 6th. Jill Forster, RN, taught the book "Hearts Cry." This is a book about prayer. There were 34 ladies present with 11 churches represented.

SEPTEMBER: Associational Leadership Training Session was held at First Baptist Troy. This training session was led by the WMU Council members. There were 30 ladies present with 10 churches represented.

This past year has enabled us to assist in starting three new age-level organizations in WMU. These were: Mt. Gilead, Acteens; Prince of Peace, Mission WMU; and Grace Memorial, WMU/BW.

Shirley Hall, Mission Action Director, has continued to lead The Sharing Place. Several churches are participating in this project.

Beginning this past January, Shirley Hall, led the WMU organizations in starting a new project--Samarkland Birthday Parties.

The Montgomery Baptist Association WMU Council has received another Certificate of Recognition from the State WMU for their outstanding work during the year.

Baptist Men

(Paul Gordon)

The purpose of the Baptist Men's Director is to support the churches of the Montgomery Association in its task of bringing men and boys to God through Jesus Christ by helping churches involve men and boys in missions.

The men of our association have been involved in (3) three areas of mission work in 1994:

1. Support was given to the Chinese Baptist Church of Charlotte in both the building program, and thru the Disaster Relief Unit. The Relief Unit fed the volun

teers. The first week of work, Gene Singleton, Phyllis and Jerry Parks were part of the feeding team.

2. Four ramps and decks were contructed in the Candor and Troy area for handicapped individuals. We are working on plans for one more ramp.
3. In July, Gene Singleton went to Albany, Georgia as part of the Disaster Relief Team from Region 6. The team was made up of 38 men and women from (5) five counties. They prepared 6,000 meals--most of which were distributed by Red Cross Emergency Response Vehicle to flood victims and relief workers.

Six churches were involved in these mission projects: Prospect, Stoney Fork, Grace Memorial, Mount Carmel, Dover, and Forks of Little River.

Grace Memorial Baptist Church has started a new Baptist Men's Unit.

Volunteers needed at Camp "Mundo Vista:" Funds are now available to continue work on the cabins. The next phase of work includes foundation for the bathrooms, framing in the bathrooms, exterior paintings of cabins, interior cabin renovation, and building of new railings on porches. There is something for anyone and everyone to do! This will begin October 3rd and go thru April 8th.

Evangelism

Preparation is underway for a major evangelism emphasis in 1995. Across America through the efforts of Southern Baptists we are hoping to see 500,000 people profess faith in Christ. This can be accomplished as an army of our people make a strong and dependable commitment to attempt to share their faith 60 times in 60 days. This will be a simultaneous effort happening between January 9 and March 9, 1995. Pray that your congregation will be a part of Here's Hope 1995. Each church is encouraged to enlist 10% of its active Sunday School members for this intensive witnessing effort. A brochure will be provided entitled "Sixty Ways for Sixty Days." The brochure will contain 60 creative suggestions to help Christians "open the door" for sharing the gospel of Christ.

Pastors of each church will be provided with a packet of preparation materials. For your convenience and assistance the local church steering committee elected by your church will be trained by the Here's Hope Association Steering Committee. The preparation packet contains materials which can be useful for five years. Use them completely or selectively. They are adaptable for each church situation.

The Pastor/Church packet provided by the Home Mission Board contains an order form for ordering materials needed for training and promotion. Marked New Testaments can be ordered from the North Carolina Evangelism Division at a cost of .50 per copy. A copy of the Roman Road adult training video is available free of charge thru the Baptist State Convention.

In past years, baptisms in NC have significantly increased during times of special evangelism emphasis. The same can occur in 1995 if we will take advantage of this cooperative effort. Schedule a Harvest Revival to follow the 60 days of witnessing. The suggested date for our area is April 2-9, 1994.

Sunday School Report

(Billy Dennis)

In 1993-94 the association sponsored three different Sunday School conferences. The first was held on March 24th, at Eagle Springs; the second took place at Mount Gilead First on May 12th; and the last was a literature workshop, held at Troy First on September 27th. Approximately 80 people received training at these conferences.

As you may know, much of the literature has taken on a new look, while much more will be undergoing improvements in the coming months. During this year, should any church have the need for a consultation, please do not hesitate to contact the ASSISTeam.

Your ASSISTeam members are:

Director ..... Rev. Billy Dennis
Adult ..... Rev. Raleigh Castelloe
Youth ..... Dr. Benny Hampton
Children ..... Mrs. Kennetha Weaver
Preschool ..... Rev. Ben Hall

Our theme for 1994-95 is "Breakthrough: Witness to Win." As this is the final year of the "Breakthrough" emphasis, let us make it our greatest year of outreach and growth as we study, and "flesh out," the Word of God.

Music

Music has always been an important and vital part of Christian Worship. Music will often speak to our spiritual needs in ways that no other can. It reaches the depth of our soul to give hope and comfort.

An Associational Song Fest was held on April 24, at Calvary Baptist Church. Several churches and individuals participated.

Let me encourage every church to seek to have the best music program possible to share in worship and adoration to God. You may find other statistics on music in the reports of the churches.

Baptist Children's Homes of North Carolina

No matter how much adults try to convince themselves otherwise, children suffer when parents divorce.

Amber suffered. Because she blamed her mother for household turmoil, and because she was young and confused, Amber told her mother she hated her. She stopped communicating and became withdrawn. She chose wrong friends and attempted to take her own life.

In today's atmosphere, when divorce rocks as many marriages as it misses, thousands of children like Amber look for anchors. And in today's atmosphere, just as in the atmosphere of the 1880's, and every year since, Baptist Children's Homes provides that anchor for hundreds of children.

In 1992-93 BCH served 1,469 young people and their families, probably an all time high.

Through services provided at 13 facilities state-wide, BCH offered residential care, maternity care, a home for teenage mothers and their babies, therapeutic camping, model day care, emergency care and behavorial change.

Through the Cooperative Program, church budgets and the Thanksgiving Offering, Baptist churches provided about one-third of the $11 million necessary to care for those children. Other revenue comes from payment for services on a sliding scale, foundations and corporations and individual gifts. A significant source of help comes from individuals who remember Baptist Children's Homes, and the children it serves, in their estate planning.

"I couldn't handle what was going on at home," Amber said, after a year in the intensive group process at Kennedy Home. "I wanted a way out. I saw (suicide) as the only way. I had totally turned my back on God."

Under the tutelage of Kennedy Home Baptist Church's pastor, Amber has rededicated her life to the Lord and was baptized. She is now memorizing Scripture and doing devotions.

Between her renewed faith and the peer group process, Amber has begun to resolve the differences with her mother. When she graduates from Kennedy Home, she plans to live with her mother and sister.

"Just being able to talk through it with group and with staff helped make it better," Amber said. "They helped me understand mom may have moved out, but she never left me. She's always been supportive."

Working through problems at BCH involves identifying your problems, putting a name to them. That helps a child realize he/she is not a "problem child" but is a "child with problems." "If I was alive without this place, I wouldn't be in a happy life," Amber said. "I'm really thankful there are places like this."

Amber's gratitude expresses the feelings of hundreds of children each year, and the staff who serves them. Many young people need BCH. Thankfully, many Baptist adults are committed to providing their needs, for Jesus' sake.

Michael C. Blackwell, President

Christian Higher Education

One year and 338 days after Pearl Harbor, the Council on Christian Higher Education was created: November 17, 1943. The first Council meeting occurred January 17, 1944, four months and 20 days before D-Day. Reports to the Baptist State Convention in those years contained many references to World War II and its effects upon churches, communities, the colleges and Baptist work in general. It was a time of weakness and confusion. War was raging in Europe and the Pacific, and the outcome was still in doubt.

In such a time there were visionary Baptists who by faith could see beyond the clouds of war to the needs of peacetime. A Convention committee of 64 members labored almost two years before recommending that the Council be established. Chowan College was closed in 1944, Gardner-Webb College was not yet funded by Convention, and Wingate College received only $5,000. The clear aim was to strengthen the colleges, increase their moral and financial support among Baptists, place Christian Higher Education high on the Baptist agenda, and to organize such efforts on a continuing basis.

In 1994, the Council on Christian Higher Education's 50th year of operation, let us give thanks for those pioneer Baptists whose foresight, insight and good works caused North Carolina Baptists to become leaders in the field of Christian Higher Education.

Baptist Retirement Homes

As a result of the wonderful support given by North Carolina Baptists, 1994 will be remembered as one of the finest years in the 43 year history of Baptist Retirement Homes. The following are some highlights from the year:

In recognition of its commitment to the spiritual well-being of the residents that it serves, Baptist Retirement Homes hired W. Paul Riggs to serve as Chaplain to the residents of the Prince Nursing Care Center in Winston-Salem and the Rickman Nursing Care Center in Asheville.

Reaffirming its commitment to the idea that retirement should be a "step-up" for Older Adults, the renovation of the Taylor House in Albemarle was completed and renovation of the Hamilton Baptist Homes in Martin County was begun. When the renovation of the Hamilton Baptist Home is completed in mid-1995, all of the facilities operated by the Baptist Retirement Homes will be "State-of-the-Art."

In recognition of the changing profile of institutionalized Older Adults (47% of the "oldest old" in North Carolina suffer from some form of dementia), a special small group approach to the care for institutionalized Older Adults suffering from dementia was instituted at the Prince Nursing Care Center in Winston-Salem. Through the implementation of this program, Baptist Retirement Homes once again demonstrated its commitment to the principle that everyone has the right to age with dignity and to enjoy a certain quality of life throughout the aging process.

In an effort to provide Older Adults with affordable care, a sub-acute unit was developed at the Prince Nursing Care Center in Winston-Salem. . . a unit where frail Older Adults can receive such treatments as IV therapy, infusion, wound care, and stroke and bone fracture rehabilitation outside of a hospital setting.

In response to the need to provide quality long-term care services to the ever growing number of frail Baptist Older Adults, Baptist Retirement Homes expanded its nursing services in 1994 to include an additional 100 Older Adults (80 percent of that group being classified as the poor elderly. . . men and women who lack sufficient financial resources to pay for the institutional services they receive).

Thank you North Carolina Baptists for helping us make for Older Adults. . . The Best of Times!

Biblical Recorder

The rapid changes taking place in our world have produced distorted values, violence, threats and uncertainty and the surrender of much that is good and wholesome while creating false heroes who fail. Baptists must rise up to face these decisions an issues before our window of opportunity is lost forever. We must not squander our heritage from yesterday and our mission for tomorrow.

There is no way to address these issues without correct and reliable information. *The Biblical Recorder* was born and continues to serve for that purpose. Never was the *Recorder* more needed than now, with charges and countercharges flying, with people trying to use and manipulate others.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic age where many think they know the answers to the issues only to discover they do not. It is impossible to know in depth what is happening when we depend on "60-second sound bites" of news on television or radio.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The most important thing facing us at this point is to get the *Recorder* into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches. We need your help!

In order to save churches large amounts of money and to increase the readership of the *Recorder*, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church news incorporated into the *Biblical Recorder* which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. Anticipated increases in mailing costs make CNS a greater value in 1995 than even when it was started in 1990.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed. With all the stress and disturbance in the world, "The North Carolina Baptist Way" has become even more important to us than ever before.

Christian Action League of North Carolina, Inc.

1994 REPORT TO THE ASSOCIATION

Can God's people make a difference concerning the moral climate of our state? There is no doubt about it! The $300 billion gambling industry has targeted our state for legalized gambling. Why North Carolina? The fact is that North Carolina is the largest state in the nation where the gambling industry has not been able to get their foot in the door. Furthermore, NC is the only state in the traditional Bible-belt where the gambling industry has not been able to make any inroads. In order to get their legislation enacted, they hired 14 of the most influential and effective lobbyists that money can buy to sell "their bill of goods" to the members of the NC General Assembly.

Is there anyway to defeat such money and power? Yes! Through the prayers and influence of God's people! It happened in 1994!

The legislature has adjourned--the members have gone home--the gambling lobbyists have packed their bags and left town.

How was it done? Baptists and other Christians fulfilled their Biblical responsibilities by influencing their legislators through their prayers, letters, phone calls, and personal contacts.

The Christian Action League along with the Christian Life Council of the Baptist State Convention; NC Baptist Men; and Woman's Missionary Union, has conducted 36 workshops, THE CHRISTIAN LOOKS AT GAMBLING, to educate and motivate our people into action against this insidious evil. You responded, and now, we can claim the victory.

Furthermore, when communities like Asheboro, Albemarle, Concord, Kannapolis, Thomasville, and Manteo, including Hyde and Harnett Counties, faced battles with the powerful $140 billion dollar liquor industry during the year, we were delighted to provide campaign strategy, research documents, and publicity materials. The liquor forces did not win any of these referendums.

We thank God for your support of our Ministry of Applied Christianity, and we stand ready to assist God's people in being the "salt" and "light" that He would have us be.

Coy C. Privette, Executive Director

Baptist Foundation

With the 75th anniversary of the chartering of the North Carolina Baptist Foundation approaching, it is exciting to reflect on the fulfillment of dreams of the founding fathers. The prayerful deliberation that led to the vote in the 1919 Baptist State Convention meeting for the beginning of "a trust agency" envisioned a viable entity which would promote and manage funds given by individuals for perpetual support of several struggling institutions and the mission programs at the heart of this missionary minded denomination.

As of December 31, 1993, the Foundation held $45,878,748 under management. In 1993, $1,243,217 was distributed to Baptist work and $1,196,748 was distributed to individuals for a total income distribution of $2,439,965.

The income distributions for the entire 74 year history of the North Carolina Baptist Foundation totals: $7,009,154 income paid to individuals and $10,011,893 to Baptist churches, institutions and mission causes for a grand historical total of $17,021,047.

In 1993, the staff of the Foundation consisted of seven full time employees and two persons who provided part-time service in accounting and legal services. In May of 1994, Rev. Coy H. Jeans, Jr. was employed by the Foundation Board as Western Area Manager of Trust and Endowment Development. Rev. Jeans will serve individuals in western North Carolina through estate stewardship planning to better provide for families and Christian endeavors. He will also work very closely with Associations and churches in the area. We encourage western North Carolina Baptists to contact Rev. Jeans at his office in Marion at 704-652-9548. The Foundation's main office is located at 201 Convention Drive, Cary, North Carolina 27511, telephone 919-380-7334.

Baptist Hospital

Founded in 1922, Baptist Hospital is a missionary enterprise of the Baptist churches of North Carolina. The essence of our purpose is to carry out a ministry of healing as taught by Jesus Christ. We remain as fully committed to this mission as were our founding fathers. In the midst of changing health-care norms, we have not, nor will we, deviate from this mission. The following paragraphs report, not only basic facts, but various results of how we have sought in the last year to remain true to our heritage while providing quality health care at affordable prices.

PROVIDERS AND RECIPIENTS OF HEALING

The Hospital healing team consists of 5,777 employees. The Medical Center (North Carolina Baptist Hospital and Bowman Gray School of Medicine) personnel total employment is fast approaching 9,000 people making us the second largest employer in Forsyth County. In our 806-bed facility, we had 23,545 inpatient admissions during our fiscal year 1993-94. Our Outpatient Department, physicians' clinics, and other related departments received 523,672 patient visits.

DEPARTMENT OF PASTORAL CARE

Our chaplaincy division joins with our health-care professionals to provide spiritual and emotional healing. With 15 to 35 chaplains present at various times, 58,747 ministries were provided to patients, families, staff and groups. Mission dollars from the Cooperative Program enabled this ministry to be carried out.

The Center for Congregational Health, in its second year of ministry as a part of our Department of Pastoral Care, continues to expand and strengthen. To date thru

1993, 40 ministers have completed intentional interim training and 29 are in training. The number of churches calling intentional interim pastors continues to increase. The training of consultants for conflicted churches and leadership training for young ministers were both begun.

The Pastoral Counseling Division now operates 12 counseling centers across the state. These centers provided 26,716 hours, a five percent increase over the previous year.

In December 1994, Dr. Dewey Hobbs will retire as Director of the Department of Pastoral Care. His eleven years of leadership and ministry have brought quality and expansion in every facet of the department.

BAPTIST BENEVOLENT CARE FUND

Last year Baptists across our state gave $425,734 to our annual Mother's Day Offering. All of these monies went toward relieving the financial burden of scores of former patients who have little or no health-care insurance and no financial means to pay their hospital bills. The churches and individuals help make this ministry possible and we are grateful.

EXCELLENT FINANCIAL STEWARDSHIP

In the midst of escalating health-care costs, we have a proven record of superb stewardship.

(1) The latest report of the North Carolina Database Commission comparing the average of other state academic medical center charges vs. Baptist Hospital for our most frequent diagnoses reveals our charges are 21% lower.

(2) We are one of only 17 hospitals nationally with a "AA" bond credit rating.

(3) Averaging the last two years and the projection for 1994, the Consumer Price Index will average 2.8% and the Medical CPI for hospitals will average 8.9%. Baptist Hospital rate increases for the same period will average 1.8% under both the above-mentioned indexes.

MEETING THE CHALLENGES OF THE FUTURE

The health care environment is and will continue to be changing. Baptist Hospital is proactively facing these changes on a daily basis. Below are listed several visions which have recently been or will soon be realized.

Nursing Center at Oak Summit

Opened in July 1993 this 170-bed facility offers four levels of care. It is also one of only a few nursing centers in North Carolina that provides care for ventilator-dependent patients.

Emergency Department/Dietary Building

Progressing toward a late 1995 opening, this facility will expand our ED capacity to 70,000 visits annually. It will also house three floors of patient private rooms, our Pharmacy Department, a new kitchen and 900-seat cafeteria, and a 35-bed Day Hospital.

J. Paul Sticht Center on Aging and Rehabilitation

This building will usher in a new era in rehabilitation at our Medical Center. Housing a total of 128 beds, it will contain a geriatric day hospital which will aid the transition from hospital to home, inpatient rehabilitation nursing units, a psychiatric floor, geriatric research and education. Completion is targeted for 1996.

At home health care

Our Home Health Solutions provide our local region with parenteral nutrition and intravenous antibiotic therapy, chemotherapy and pain management. Home Health

Specialists provide nursing care, personal care and physical and occupational therapy.

Center for Research on Human Nutrition and Chronic Disease Prevention

Our continued partnership with Bowman Gray School of Medicine enables our Medical Center to provide the highest quality of research, education, and patient care. Quoting Dean Richard Janeway, "We are trying to prevent the major killers such as cancer, strokes, and heart attacks. With this facility we'll be able to transfer the information straight to the patient's bedside."

COMMUNITY HOSPITAL ASSISTANCE

Developing relationships with community hospitals such as Stokes Reynolds in Danbury and Hoots Hospital in Yadkinville enables us to assist them in lowering costs as well as providing quality hospital and outpatient care. We anticipate expanding this endeavor to include other smaller, outlying hospitals. We also have significant affiliate relationships with hospitals in Wilkesboro, Lexington, and Mt. Airy and are in the process of developing other affiliate relationships.

QUALCHOICE OF NORTH CAROLINA

Joining with BGSM and Wake Forest University, Baptist Hospital has developed a managed care plan. Our design is one which offers affordable quality health care while providing the insured freedom of choice. This plan will be opened for public enrollment beginning January 1, 1995.

A CLOSING WORD

We continue to esteem our heritage, celebrate our current capabilities, and strive to position ourselves for the future. Your partnerships, prayers, and utilization of our services inspires our dedication to our mission. We are grateful to God and to the North Carolina Baptist family.

Respectfully submitted,
Len B. Preslar, Jr., President

1993 Annual Report Summary/Highlight
Home Missions Board

The Home Mission Board (HMB) is a missionary-sending agency of the Southern Baptist Convention (SBC). Headquartered in Atlanta, Georgia, the HMB's purpose is to serve Southern Baptists by assisting churches to proclaim the gospel of Jesus Christ, start and grow New Testament congregations, and minister to people in the name of Christ.

At the end of last year, 4,882 missions personnel were serving in the United States, the Caribbean, Guam, American Samoa, and Canada. The HMB also had endorsed more than 2,300 chaplains who were serving in healthcare agencies, institutions, businesses, the military, and pastoral-care roles. More than 1,700 Mission Service Corps volunteers were serving on home mission fields. During the year there were 1,500 church starts (more than four per day) and 349,073 baptisms.

Approximately half of the HMB's support comes from individual SBC churches through the annual Annie Armstrong Easter Offering for Home Missions. In 1993, gifts to the offering totaled $36.31 million, about 3 percent less than the 1992 total. One hundred percent of the offering goes to support the work of home missionaries in the field. The 1994 Annie Armstrong Easter Offering goal is $40 million. About

36 percent of the HMB's income comes from the denomination's Cooperative Program.

The following is a summary of program/support ministry highlights from 1993:

Chaplaincy Ministries--The 2,325 Southern Baptists now serving as chaplains and pastoral counselors reported more than 24,000 professions of faith and 4,500 baptisms.

Church Loans--Approximately 1,056 churches had active loans totaling $131.1 million. The Church Loans Division closed 120 church loans totaling $32 million, including $3.8 million of refinancing.

Language Missions--Home missionaries and pastors in the Language Church Extension Division serve among 102 ethnic groups using 98 languages and dialects.

Evangelism--During Crossover Houston, the Mass Evangelism Department coordinated 35 street evangelism events, 25 block parties, nine evangelistic rallies, and 68 special Harvest Revivals and events. These activities resulted in 1,253 conversions. The Personal Evangelism Department produced and shipped materials for "Here's Hope. Share Jesus Now." This emphasis will include 60 Days of Soul-Winning, January 9-March 9, 1995.

Volunteers--More than 74,860 Southern Baptist adults, college students, and youth group members volunteered for long- and short-term projects. In addition, several thousand more were involved in disaster relief efforts in the Midwest.

Church Evangelism Development--Over 1 million teens participated in "See You At The Pole," gathering at their flagpoles to pray for the schools of our nation.

Administration--The Home Mission Board broke ground for a new national office building which will be completed in 1995. Customer Services received more than 51,000 calls and shipped almost 5 million pieces of HMB material.

ARTICLE 1. This Association shall be known as the Montgomery Baptist Association.

ARTICLE 2. The purpose of this association shall be the promotion of Christ's Kingdom among men. The means of accomplishing this shall be in conformity with the New Testament under the leadership of Christ.

Our goal in accomplishing this purpose shall be to nurture harmony in faith and practice among the member churches; to promote missions within the association by calling churches to support local, state, national and foreign missions; providing opportunities for working together in missions, ministry, growth and training in evangelism. This should be done by enlisting the member churches in a spirit of love and cooperation that the gospel of our Lord Jesus Christ might be proclaimed effectively in our association, state, nation and around the world.

ARTICLE 3. This Association shall be composed of: (1) three messengers from each cooperating church of 100 members or less and one additional messenger for each 100 members or fraction thereof above the first hundred except that no church shall have more than ten messengers; (2) all active pastors of churches in the Association; (3) all officers of the Association; (4) the Associational Director of Missions; (5) all members of all standing committees of the Association.

ARTICLE 4. It is understood that each church in cooperation with the Association is independent and sovereign in its own affairs, and the Association has no authority over the churches, except of an advisory nature.

ARTICLE 5. The Association may invite visiting and corresponding brethren to seats, and extend to the privileges of the body, except that of voting.

ARTICLE 6. The Association shall not maintain fellowship with any of the churches which fail to observe Gospel order.

ARTICLE 8. Any church in cooperation with the Association, failing for two consecutive years to report by letter to the Association shall be considered no longer in cooperation with the Association until reinstated by common consent of the Association in regular or special session.

ARTICLE 9. The messengers from each Church shall bear a letter certifying their appointment, and communicating information relative to the state of the church. Provided, however, that when any church has prepared a letter and through inadvertence the letter fails to be presented, her messengers may be received without its presentation.

Director of Missions

(Ben Hall)

The year 1994-95 is history. As we come to the end of the year, we have seen changes in the churches, with pastors resigning, new pastors coming and several churches still without pastors.

At this time, Candor, Center, Holly Mount, Stoney Fork, and Valley View are without pastors.

New pastors have come to these churches during the year: Eldorado called Rev. Bill Culbertson, Exway called Rev. David Peitz, Eagle Springs called Rev. Brad Williams, Dover called Rev. Mike Holyfield, and Hamer Creek called Rev. Alex Willoughby.

As we come to the end of this year, we have events before us which will be good. Again we are beginning plans for a long range planning for the association.

Along with this we are planning to have a team later in October from the convention as a part of the Listening Team experience where key leaders and pastors will sit down with leaders from the convention to have an open forum and discussion.

As an association, we are no greater than the churches and what the churches seek to make it. Be involved in the work of the association. Pastors, encourage your people to be a part of all that is planned for the association in the coming year.

As a part of the DOM report, I wish to include some of the ministries in which the association has been involved this past year. Some are budgeted items, and others were funded from The Sharing Place.

* Food ministries: We have assisted many families with food during the year. We purchase food from the N.C. Food Bank with money we received from Hunger Funds of the Home Mission Board. Some food has been donated by the churches.
* The Sharing Place: We have served almost as many families with clothing and furniture as we have with food.
** Hispanic Mission: We have shared continually with this work as we share in the salary of the pastor, as well as helping with the repair work on the building. The money for the repair has come from State Convention and the Sharing Place.
* We have been supplementing the Hispanic Pastor's salary from Sharing Place funds.

* Helped line up Back Yard Bible School at Twin Harbor in July.
* Sponsored birthday parties for the youth at Samarkand monthly. (The WMU helped line up this ministry.)
* Baptist Men's Project: Helped in roofing of Hispanic Mission, and build ramps for shut-ins.
* Christmas Pounding for the needy at Christmas. (WMU Leadership Team helped sponsor this ministry.)
* Helping Hand Ministry (Crisis): Aided families in extreme needs such as utilities, medicine and shelter on an urgent basis.

* Items not in Association budget.
** Items partially in Association budget.

Church and Community Ministries

(Vernie Rhodes)

How will we remember 1994-95 when it comes to missions and ministries within our churches and our association? Many of our churches have been actively involved in the associational ministries with support above and beyond their financial gifts. Volunteers from several churches have come into the association to work with the clothing ministry. These ladies have put forth the manpower that it takes to keep such a ministry operating. They have spent countless hours sorting, repairing, hanging, and tagging each item. The Sharing Place continues to give assistance to low income families, the homeless, and burn-out victims. This year The Sharing Place has assisted more than 100 families in this manor. Receipts from The Sharing Place have been used in The Hispanic Ministry, the Crisis Ministry, and the food ministry.

The Food Ministry has continued strong throughout this year also. Five hundred seventy-six (576) families/1,619 individuals have been given food this year. At times a family needs just enough to last until payday or until their food stamps arrive, other times larger amounts are needed. We have tried to serve the need at the time, giving enough to feed the number in the family for the length of time they have a need.

The Christmas Toy Ministry grew this year serving seventy-five (75) children with toys from the associational office. Again several church groups sponsored families at Christmas. The associational office supplied names for these families. Families were referred to the WMU for the annual Christmas pounding from the families who had been into the associational office seeking help in the previous three months.

Individual donations as well as some money from The Sharing Place have made it possible to continue some work with a Crisis Ministry. This year we have assisted sixteen (16) families with crisis situations such as electricity, heat, medicine, and shelter. This is a ministry that has much potential for growth in our area. Please join with me in praying for the means to expand it greatly in the next few years.

Samarkand Ministries increased somewhat this year. For a good portion of the year two (2) weekly Bible Studies were conducted there. Volunteers are greatly needed for this area of work. Vacation Bible School was held there for the third consecutive year. There were six churches involved in this ministry with twenty-two (22) volunteers. We expanded from six groups to eight this year with an enrollment of 152, an average attendance of 128. Many decisions and rededications were made that week.

Your continued support for these ministries is encouraged and appreciated. Support comes in many forms–your prayers–your time–your talents–as well as finances. Please pray that God will open the door for new ministries to be added or for expansion of our current ministries in the coming year.

WMU Report

(Delores Hicks)

The 1994-95 WMU Emphasis, "A Time To Grow," reflects the intent of the Emphasis Objectives:

1. To enlist more members in WMU by providing dynamic organizations that appeal to a diversity of people for in-depth and lifelong missions involvement.
2. To challenge church members to grow spiritually as they:
   a. Accept responsibility for a lost and hurting world;
   b. Develop witnessing skills for ministry and personal, marketplace, and inter-faith evangelism;
   c. Identify the pioneer spirit of missions and take similar risks to minister and witness in new and difficult areas (geographical, cultural, and social);
   d. Pray about and make life-style changes for missions involvement.

As your WMU Council, (WMU Director, Delores Hicks; WMU Assistant Director & Mission Action/Personal Witnessing Director, Shirley Hall; Baptist Women's Director, Phyllis Parks; Acteen Director, Kathy Garner; GA Director, Shirley Murdock; Mission Friends Director, Lynne Griffeth; and Secretary/Treasurer, Jean Cranford) we worked hard to meet the challenge of fulfilling these objectives. We were involved in many other activities during the year:

NOVEMBER: On November 7th, we observed the Baptist Woman's Day of Prayer in a service at Biscoe First Baptist Church. There were 34 in attendance with several churches represented. The love offering was $121.65 which we were able to forward to the North American Baptist Woman's Union, a part of the Women's Department of the Baptist World Alliance. Pat Peele, Associational WMU Director of Pee Dee Association, graciously conducted this service.

DECEMBER: The annual "Christmas Pounding" was sponsored by the Council. Shirley Hall, Mission Action Director, coordinated this project with excellent success. There were 19 churches that participated enabling us to deliver 40 boxes of food to needy families.

FEBRUARY: The council, under the direction of Shirley Hall, sponsored the Project HELP 1994-95: Hunger. We had 16 churches that participated. With this we were able to collect 1,199 cans of food and $322.50 was collected for paper products and dry food.

MARCH: There were five ladies from our Association who attended the NCWMU Annual Meeting at Ridgecrest.

APRIL: Our Associational WMU Annual Meeting was held on April 20th at Tabernacle Baptist Church, Troy. There were 58 in attendance with 13 churches represented. Mrs. Irma Duke, Executive Director, NCWMU was our guest speaker.

WOMEN ON MISSION

Baptist Men

(Paul Gordon)

The purpose of the Baptist Men's Director is to support the churches of the Montgomery Association in its task of bringing men and boys to God through Jesus Christ by helping churches involve men and boys in mission.

The men of our association have been involved in five (5) areas of mission work in 1995:

1. HAITI: Two trips from the Montgomery Association involving five (5) men. The first one in November, 1994 to start the Haiti Relief Effort sponsored by The Southern Baptist Foreign Mission Board and Brotherhood Commission. The work was to restore the mission vehicles, build bunks and tables, remodel a warehouse, build a loading dock, a block and concrete wall with a metal gate, and a kitchen with a roofed patio. The second trip in February 1995 was to build a barn to be used as the base of operations for a Southern Baptist Medical/Dental Project. It will also be used as a base for well repair. We also built two outhouses and painted some on the missionary's house.
2. PRINCE OF PEACE BAPTIST MISSION: Work was accomplished on the roof by replacing wood and replacing shingles on part of the roof.
3. MUNDO VISTA: Support was given by building block foundations for new bathrooms.

4. YADKINVILLE: Fred Hare gave support on several days for new mission work on the Baptist church.
5. RAMPS: A total of six (6) new ramps and decks were built in the Troy, Mt. Gilead, Candor and Pee Dee areas.

Seven churches were involved in these mission projects: Dover, Exway, Forks of Little River, Grace Memorial, Mt. Carmel, Stoney Fork and Laurel Hill.

Sunday School Report

(Billy Dennis)

CARRY THE LIGHT: LIVE GOD'S WORD! What an encouragement to each of us as we go forward in a dark and lonely world. This year the theme, "Carry The Light," replaces the "Breakthrough" theme we have used for the last five years in Sunday School.

Another change that you will notice this year is the distribution of Baptist Sunday School Board materials on a seasonal basis beginning in June, 1996. The new release dates will be as follows: Summer - June, July, August; Fall - September, October, November; Winter - December, January, February; and Spring - March, April, May. Don't forget to order according to the new deadlines beginning in 1996.

Finally, let me remind you that your ASSISTeam is trained and willing to assist you with any concerns you may have in the area of Sunday School. Last November we did a Direct Assistance Conference for leaders for Stoney Fork. In March, 21 people from 9 different churches attended our Associational Training School, and in September, 19 people from 6 different churches attended our Sunday School Rally and teacher improvement workshop.

Your ASSISTeam members are:

Director.....Rev. Billy Dennis
Adult.....Rev. Raleigh Castelloe
Youth.....Dr. Benny Hampton
Children.....Mrs. Kennetha Weaver
Preschool.....Rev. Ben Hall

Contact the Associational office if we can assist you.

Deacons

(Sam Beasley)

Thank you for your participation in the one-night seminar at Troy. This was a learning process for all as we shared how to better work together in our churches. It was evident that we experience the same challenges.

It is my desire in the coming year to be able to offer more of these kinds of retreats. There are also some state retreats that are coming up that we may have an opportunity to participate in. Please watch your monthly newsletter for information.

Again, thank you all. Let us pray for one another and our churches that we may grow in spirit and in truth, to increase in number and in Christian love.

I would like to extend a special thanks to Rev. Ben Hall, our Director of Missions, for all of his help this year.

Discipleship

(Raleigh Castelloe)

The associational discipleship goal in the Montgomery Association is to serve as a support system for the discipleship efforts of the local church. The associational discipleship leader seeks to encourage and assist the churches to discover discipling needs, determine strategies and methodologies to meet those needs, and make every effort to provide for the spiritual progression of the people. Therefore, the goal is to begin new discipling processes and to strengthen and support existing growth options.

At the present time six of our churches have ongoing discipleship programs. Some of our other churches may need to begin continuous discipleship efforts. Other churches use short-term discipleship programs to meet their discipling needs. When planned well these short-term projects are very effective.

Our statistics for ongoing discipleship programs are more accurate than those for short-term efforts. Some churches don't consider short-term projects a discipleship program, but they are. Others forget short-term projects which were conducted a good while before reports were made. We need to know about these efforts.

Every church is encouraged to adopt the discipleship strategy which will best meet its needs. We are looking forward to a successful year of deepening discipleship in 1995-96.

Youth

(Ryan and Kennetha Weaver)

The purpose of associational youth events is two-fold: to unite young Christians together and to reach out to lost souls. To accomplish these goals, the association sponsored two Youth Rallies in the 1994-95 year.

In October, national Christian recording artist, Jimi Ray, formerly of the group "Age of Faith," performed an associational concert at Troy First. Ray, a former member of the host church, also shared experiences from his recent mission trip to Peru. About 50 youth and adults from the association attended.

In July the association was host to the "Witness" concert at Troy First. "Witness," a singing group composed of 12 students attending North Carolina colleges, is sponsored by the Baptist State Convention. About 110 youth and adults from several churches in the association attended. Three youth made first time decisions to accept Jesus Christ as their Savior and six others made rededications of faith.

Senior Adults

(Leonard and Ruth Greene)

The Senior Adults of the Montgomery Baptist Association met for two prayer breakfasts during the year.

Our first meeting was in February. We met at Uwharrie Mountain Lodge. Rev. Grady Blakely, Pastor of Mt. Carmel, brought the inspirational message.

Rev. William Culbertson, Pastor of Eldorado Baptist, accompanied by his wife, Frances, provided music for the meeting.

The second meeting was in May at the same location. Rev. David Kim, Pastor of Bethel Baptist, Mt. Gilead, brought the inspirational message.

Music was provided by Charlie Robinson of Calvary Baptist Church.

Baptist Children's Homes of North Carolina Report

For six-year old Malinda, darkness brought sleepless nights listening to her mother's boyfriend beat her brother and sister - and praying she wouldn't be next, watching her mom choose her lover's whims over her children's needs, and finally, being abandoned on Christmas Eve in pouring rain on a dirt road.

Her darkness, more than just a light switch clicked off, swirled with pain, fear, confusion and despair.

Today, a bright-eyed teenager living at Broyhill Home, one of four Baptist Children's Homes residential campuses, Malinda finally sees light. After becoming a Christian in 1992, she can forgive her mom and let go of her painful past. "Learning to deal with my issues is a lot easier since I became a Christian," said Malinda. "I'm happy here at Broyhill. The people believe in me, support me and are here for me."

Believing in children and families, offering light to pierce their darkness has been Baptist Children's Homes' goal since its beginning 110 years ago.

Serving 1,513 children and families in 1993-94 in 12 facilities across the state, BCH provides intentionalized programs of residential group care, emergency care, therapeutic camping, maternity care, teenage mother/babies, model day care and behavioral change for girls. Gaston County emergency care cottages in Dallas, operated on a yearly contract basis, were not renewed with BCH following Gaston County's decision to change the facilities' direction to a level of service BCH doesn't provide.

Commemorating 110 years of ministry, BCH published *Intent to Serve*, a history depicting the last decade of BCH's child-centered, family-focused services. Each church was to receive a complimentary copy in the Fall of 1995.

Founded in 1970, the Baptist Maternity Home in Asheville celebrated in October 25 years serving over 900 young, unmarried, pregnant women who were given a quiet, supportive atmosphere to make decisions about their future.

A chapter of BCH life closed with the death of alumni, employee and friend Bill Sisk. Investing 52 years of himself, Sisk, who came to Mills Home at age 8 and returned to work on staff 42 years, died May 21, 1995. "An era has passed," said BCH President Michael C. Blackwell. "It's extremely unlikely Baptist Children's Homes will ever see another individual who invests himself so fully in this place as did my friend Bill Sisk."

Adding to the light, Baptist churches, through Cooperative Program, designated gifts and the Thanksgiving Offering funded about one-fourth of BCH's $12 million budget with gifts totaling $2,934,304.

Trustee Jim Goldston held his sixth annual Goldston's Carnival for Children raising $28,633 and providing two fun-packed days of rides, games, entertainment and food for children and area residents. "There is nothing more important in this life than children," said Goldston. "This is just one thing we can do to show our commitment, to put our feet to our prayers."

Putting words into action described numerous individuals who gave time and effort with special campus work projects.

This year, the Friends of Children committee added a twist to their annual spring bus tour by pulling on gloves and work clothes to help beautify Odum Home in Pembroke and Cameron Boys Camp near Southern Pines.

A team of volunteers from Denver Baptist Church worked at Broyhill Home clearing brush, painting inside a cottage and building a storage shed; and at Kennedy Home tearing down an old gym built in the 1930's, restructuring an old picnic shelter into an arts and crafts center, removing old heating equipment from Biggs cottage and renovating family conference rooms in the new gym.

"We pray about these kids, and we pray that we will be an example," said Allen Holmes, Denver Baptist mission trip coordinator. "This is more important than any building or construction work."

Trustees, intent on strengthening BCH's leadership position and continuing its tradition of giving light to families and children, approved a $10.1 million campaign, "Light Their Way," to raise money for special projects, operational needs and endowment. The campaign will run September 1995 - May 1997.

Many children, like Malinda, suffer in darkness. Many families linger in pain waiting for answers, waiting for help. Because of Baptists' support, BCH is able to "Light Their Way," offering hope, security and love.

The Baptist State Convention is 165 years old. For 161 of those years the Convention has been in the business of founding, adopting, supporting and nurturing Baptist colleges and universities. North Carolina Baptists are known for their broad and deep commitment to Christian higher education. Our seven Convention-related education institutions are: Campbell University, Chowan College, Gardner-Webb University, Mars Hill College, Meredith College, Wingate University and Wake Forest University.

For 1995 the Convention's Christian higher education budget is $6,000,540, or 20.41 per cent of the total. These funds are divided among six colleges. Wake Forest is not in the budget, but receives designated gifts from churches and shares in student financial aid funding through the State Missions Offering.

The 1994 enrollment in North Carolina Baptist colleges and universities was 22,473 with 4,075 graduates. Approximately 476 students were enrolled in church-related vocation studies.

Making Life for Older Adults...The Best of Times

As a result of the wonderful support given by North Carolina Baptists, 1995 will be remembered as one of the finest years in the forty-four year history of the Baptist Retirement Homes of North Carolina, Inc. The following are some highlights from the year:

- In recognition of its commitment to the spiritual well-being of the residents that it serves, Baptist Retirement Homes hired Luther Osment of Sylva, North Carolina as its first full-time Chaplain. Reverend Osment's work responsibilities include ministry to the residents of the Brookridge Retirement Community in Winston-Salem and the Western North Carolina Baptist Home in Asheville.
- Reaffirming its commitment to the idea that retirement should be a "step up" for Older Adults, the final phase of the renovation of The Taylor House Facility in Albemarle was completed in the Fall of 1995. The renovation of The Hamilton Baptist Home in Martin County was also begun in 1995 and hopefully will be completed by year end. When the renovation of The Hamilton Baptist Home is completed, all of the facilities operated by the Baptist Retirement Homes will be "state-of-the-art."
- In recognition of the changing profile of institutionalized Older Adults (47% of the "oldest old" in North Carolina suffer from some form of dementia), the Young Solarium addition was completed in the Fall of 1995. The Young Solarium will house a new small-group program designed to enhance the quality of life experienced by institutionalized Older Adults suffering from dementia.
- In an effort to provide Older Adults with affordable care, a sub-acute unit was developed at the Prince Nursing Care Center in Winston-Salem...a unit where frail Older Adults can receive IV therapy, infusion, wound care, and stroke and bone fracture rehabilitation outside of a hospital setting.
- In response to the need to provide quality long-term care services to the ever growing number of frail Baptist Older Adults who may not need institutionalized care, the Baptist Retirement Homes developed a new home and community based service program, In Home Care, Inc. ... the new service designed primarily to extend the amount of time that frail Baptist Older Adults can remain in the home environment.

Thank you North Carolina Baptists for helping us make life for Older Adults...The Best of Times!

The *Biblical Recorder* Report

The headlines each day–Bosnia, O.J. Simpson, interest rates, tax overhaul, etc.–often include Southern Baptists. The secular media show special interest in our conflicts but all too often do not tell the whole story of the good things Baptists are doing. The *Biblical Recorder* tells the whole story–the many positive things people are doing in their churches along with the negative issues which cannot be concealed and ignored if we honor our heritage from yesterday and fulfill our mission for tomorrow.

There is no way to address these issues without correct and reliable information. The *Biblical Recorder* was born and continues to serve for that purpose. In the 162 years of state Baptist papers in North Carolina, never was the *Recorder* more needed than now for people to have the truth.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic age where many think they know the answers to the issues only to discover they do not. It is impossible to know in depth what is happening when we depend on "60-second sound bites" of news on television or radio.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches, can survive long without an informed, constituency which makes decisions based upon accurate information from reliable sources.

The *Biblical Recorder* should be in every Baptist home in North Carolina. Your support as a subscriber and reader, coupled with your encouragement to others, will enable the paper to better serve the constituency with accurate and helpful information.

In order to save churches large amounts of money and to increase the readership of the *Recorder*, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church news incorporated into the *Biblical Recorder* which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. Recent and anticipated increases in mailing costs makes CNS a greater value in 1995-96 than when it was started in 1990.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed. With all the stress and disturbance in the world, "The North Carolina Baptist Way" has become even more important to us than ever before.

That is why the *Recorder* was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

Christian Action League of North Carolina, Inc. Report

This year has been a significant one for the Christian Action League of N.C. as we gave leadership and support to local communities in their battle against the proliferation of alcohol, provided a voice for Christian morals and ethics in the halls of the legislature and continued our battle against ongoing legislation concerning the lottery and other anti-family issues.

1. Legislative Issues:

A. Alcohol

The alcohol industry sought to implement state-wide Liquor-by-the-Drink and beer/wine sales through legislative action. House Bill 599 would have implemented LBD without a vote of the people. The Christian Action League prompted churches to action and strong opposition developed from across the state, the bill was withdrawn and died in committee.

B. Lottery

In the 1995 Session of the General Assembly, there were four lottery bills introduced. Several times in the past decade, gambling forces were able to secure the passage of a lottery measure in the Senate, but not in 1995. Lottery legislation was defeated in the Senate by a 28-20 vote. In the House, HB 838 (Lottery for School Buildings) was brought out of committee by an unusual parliamentary move and placed on the House calendar. Calls and Prayers from CAL members and the Christian community were honored when the measure was sent back to committee where it remained until the end of session.

We praise the Lord for this victory and for the fact that N.C. remains the largest state in the nation that has no state-sponsored lottery. However, we request your prayers as the Christian Action League will continue to be on the front-line fighting this battle again in 1996.

C. Abortion

The Christian Action League and other Christian organizations have continuously lobbied for abolition of the state abortion fund. House Bill 229 has passed and will **cut** the **abortion funding** from $1.2 million to $50,000 and then to be used only in cases of rape or incest.

For many years we have been working for legislation requiring **Parental Consent** before a minor can obtain an abortion. House Bill 481 was adopted this year providing this "common sense" legislation.

D. Abstinence Education

Another proposal that the Christian Action League has been working on became law this year. House Bill 834 (Teaching Abstinence Until Marriage) is pro-family and supports biblical and moral values. This bill requires schools to offer a program encouraging abstinence until marriage and also provides for parental review of teaching materials before comprehensive sex education instruction can be implemented.

2. League Leadership:

Reverend Johnny R. Henderson became the League's Executive Director in July upon the retirement of Coy C. Privette. Johnny brings a wealth of experience to this position. A trustee since 1977, he is the North Carolina Baptist Men's Correctional Ministries Coordinator and serves on the Executive Committee of Prison Fellowship of North Carolina. Also, his church was featured on ABC News last year for its outstanding prison ministry.

We are grateful to God for the prayer and financial support that the League receives from the churches of your association. May others join you as we seek to be the "Salt and Light" in a world hostile to Biblical ethics and morality.

Respectfully submitted,
Joe S. Lennon, President

North Carolina Baptist Foundation, Inc. Report

The messengers present at the Baptist State Convention meeting 75 years ago, when the establishment of the Baptist Foundation was approved, believed that the services to be provided by the Foundation could benefit both the individuals who would use its services as well as Christian purposes for which the Convention had organized many years earlier.

With a well trained and dedicated staff, the Baptist Foundation is now in position to assist any Baptist church member who has a desire to preserve their estate for their families and provide greater financial service to their church, association, missions, Baptist institutions or the Convention in its program of work.

Those who have become involved with the Foundation thus far, many of whom no longer are alive today are providing critically needed resources for either their family members and/or the Christian causes they dearly love. In many instances their use of a trust or endowment fund has helped reduce income and/or estate taxes and increased the value of assets they left for their families at their death. In addition, they continue to provide for sharing the Gospel with the income from endowment funds they created while they were living.

Many North Carolina Baptists are today enjoying the benefit of increased retirement income through the creation of an annuity trust with the transfer of property or other assets which the Foundation sold and invested under guidance of professional managers. When these trusts were created, the individuals were provided tax benefits which enhanced their estates. In most cases, the income they now receive is greater than that received prior to starting the trust. At some future date of their choosing, the assets in trust will serve the Lord in ways chosen by the donors.

During the past year, an area manager was employed to serve the western portion of the state. A twelve-minute video, "Pillars of the Church," was prepared which shares through personal example how the Foundation can serve every church member. A copy of this video is available by request in writing to 201 Convention Drive, Cary, North Carolina 27511. Personal and confidential assistance is available by calling our office at 919-380-7334 or written request directed to the above address.

The total assets under management by the Foundation at the end of 1994 were $47,312,575. A total of $1,241,756 was paid to Baptist churches, institutions and mission causes during 1994. The amount paid to individuals from trusts, which will eventually pay to Baptist causes, was $1,499,098 during the year. During the first six months of 1995, the total performance of the charitable endowment funds under management was 15.3% (annualized).

The North Carolina Baptist Hospitals, Inc. Report

Founded in 1922, Baptist Hospital is a missionary enterprise of the Baptist churches of North Carolina. The essence of our purpose is to carry out a ministry of healing as taught by Jesus Christ. We remain as fully committed to this mission as were our founding fathers. In the midst of changing health-care norms, we have not, nor will we, deviate from this mission. The following paragraphs report not only basic facts, but various results of how we have sought in the last year to remain true to our heritage while providing quality health care at affordable prices.

"THE BAPTIST"

Affectionately known to many simply as "The Baptist," our hospital now employs 5,544 members who comprise our healing team. We are joined with Bowman Gray School of Medicine and thus The Medical Center has over 9,000 employees making us the largest employer in Forsyth County. In fiscal year 1994-95, our 806-bed facility provided care for 23,712 inpatient admissions. Our rapidly growing Outpatient Department provided care for 557,511 patient visitors.

A NEW DIVISION: PASTORAL CARE AND CHURCH RELATIONS

In May restructuring created a new division with the consolidation of the departments of Pastoral Care and Church/Community Relations. This division consists of four ministry components which are listed below with a brief ministry synopsis:

- DEPARTMENT OF CHAPLAINCY AND PASTORAL EDUCATION - Through spiritual and emotional healing to patients, families, and staff, approximately 55,000 ministries were provided by our chaplains.
- THE CENTER FOR CONGREGATIONAL HEALTH - This rapidly expanding ministry to churches, pastors and staff, and congregational leaders also enables the training of intentional interim pastors. Also, training is provided for leadership and church consultants. Workshops and other events are held as well.
- DEPARTMENT OF CHURCH AND DENOMINATIONAL RELATIONS - This department serves as the liaison between Baptist Hospital and the churches, associations, and convention, as well as other church groups. By facilitating appointments, policy interpretation, understanding of our health care services, this function helps keep our vital bond with North Carolina Baptists strong. Mission dollars for benevolent care through this department in excess of $452,000 were given by Baptists to the Mother's Day Offering. This mission effort helps relieve the financial burdens of patients who have little or no healthcare insurance. This is truly a ministry of renewing hope in their lives and is a source of great joy for us.
- PASTORAL COUNSELING - With increasing requests from churches and associations across the state, this ministry continues to expand. Our thirteen strategically located counseling centers provided 27,000 ministry hours last year.

Thank You Letters From Mother's Day Offering Recipients

"I would like to take this opportunity to tell you how grateful I am for the generous contribution made to help me with my recent medical expenses. I have been extremely concerned as to how this account would be settled. I never dreamed that such a fund was available. To all Southern Baptists across the state of North Carolina, I sincerely thank them for their generosity and concern for my well-being. This gift has definitely lightened my life's load. The gratitude I have in my heart is difficult to express on paper, but truly one deeply appreciated.

"Please accept my sincere appreciation for the financial assistance you and Southern Baptists contributed toward my late husband's hospital bill. This was a gracious gesture on your part that truly helped lighten the financial burden left to me due to his extended illness. A gift of this magnitude will not be forgotten by me or my family. Through all this ordeal my faith in God has been unshaken, and your kindness only strengthens that faith."

POINTS OF EXCELLENCE AND PROGRESS

- FINANCIAL STEWARDSHIP - Annually Baptist Hospital's rate increases consistently are less than both the medical consumer price index for hospitals and general inflation. The most recent North Carolina Database Commission report comparing the average of charges at other instate academic medical centers for our most frequent diagnoses reveals our charges are 21% lower. For all hospitals statewide we are 7.7% lower on those same charges, despite treating the most critically ill patients from across the state.
- QualChoice OF NORTH CAROLINA - A managed care plan providing quality health-care and patient physician choice. Established by The North Carolina Baptist Hospitals, Incorporated and Bowman Gray School of Medicine and Wake Forest University, QualChoice is now expanding to employers in our region.
- ACCREDITATION WITH COMMENDATION - This distinction was awarded us by the Joint Commission of Accreditation of Healthcare Organizations. With a grade of 96 we earned the distinction as one of America's most highly rated hospitals.
- EMERGENCY DEPARTMENT/DIETARY BUILDING - With a Fall 1995 opening date this 300,000 square foot facility will expand our Emergency Department capacity to 70,000 visitors annually. It will also house a 35-bed Day Hospital, as well as a 900-seat cafeteria, and will double the proportion of private beds available to patients.
- COMPREHENSIVE OUTPATIENT REHABILITATION FACILITY - A 64,000 square foot facility scheduled for completion in the Summer of 1996.
- STICHT CENTER ON AGING AND REHABILITATION - Housing a geriatric research and education center, geriatric day hospital and inpatient acute rehab beds, gero-psychiatry, and adult acute psychiatry, a planned completion and opening date for this center is the Spring of 1996.
- HOME HEALTH SOLUTIONS AND HOME HEALTH SPECIALISTS - Specialists provide at home care such as intravenous chemotherapy, pain management, nursing care, and physical and occupational therapy.
- COMMUNITY HOSPITAL ASSISTANCE - Baptist Hospital continues to develop relationships with hospitals and physicians in other communities inviting them to join our expanding healthcare delivery system.

A CLOSING WORD

Historical methods of delivering healthcare are changing in significant ways. We are constantly seeking to position ourselves to develop the methodologies, services, and delivery systems to meet these challenges. In the midst of the multiplicity of changes remain several treasured, time tested constants. Among these are our commitment to excellence and compassion in providing care, the demonstrated support of North Carolina Baptists, and most significantly, the providence of our Lord. Trusting in these, we move forward boldly and confidently into the future.

Respectfully submitted,

Home Mission Board, SBC Report

The Home Mission Board (HMB) is a missionary-sending agency of the Southern Baptist Convention (SBC). With national offices in the Atlanta, Georgia area, the HMB's purpose is to serve Southern Baptists by assisting churches to proclaim the gospel of Jesus Christ, start and grow New Testament congregations, and minister to people in the name of Christ.

As of December 31, 1994, there were 4,913 missions personnel serving in the United States, the Caribbean, Guam, American Samoa, and Canada. This is only 87 short of the Bold Mission Thrust (BMT) goal of 5,000 home missionaries. The HMB also had endorsed more than 2,300 chaplains who were serving in healthcare agencies, institutions, businesses, the military, and pastoral-care roles. More than 2,000 Mission Service Corps volunteers were serving on home mission fields, exceeding another BMT goal six years early. During the year there were nearly 1,300 church starts. Southern Baptist churches baptized 378,463 people in 1994, an increase of nearly 30,000 over 1993.

Approximately half of the HMB's support comes from individual SBC churches through the annual Annie Armstrong Easter Offering for Home Missions. In 1994, gifts to the offering totaled $37,177,500, about 2 percent more than the 1993 total and the second largest in HMB history. One hundred percent of the offering goes to support the work of home missionaries in the field. The 1995 Annie Armstrong Easter Offering goal is $50 million, in commemoration of the HMB's 150th Anniversary. About 35 percent of the HMB's income comes from the denomination's Cooperative Program.

The following is a summary of program/support ministry highlights from 1994:

Chaplaincy Ministries – The 2,364 Southern Baptists now serving as chaplains and pastoral counselors reported more than 24,000 professions of faith.

Church Loans – The Church Loans Division closed 107 church loans totaling $21.5 million, including $3.9 million of refinancing.

Language Missions – Home missionaries in the Language Church Extension Division serve among 102 ethnic groups and 97 American Indian tribes, using 102 languages and dialects, in addition to sign language.

Volunteers – Volunteers continue to serve in record numbers and represent more than $100 million in value to the HMB. In 1994, nearly 80,000 persons served as volunteers, about 5,000 more than in 1993. Mission Service Corps missionaries, numbering 2,016, and serving in 1,385 locations, represent a cadre of committed people responding to God's call to be personally involved in home missions.

Christian Social Ministries – More than 2,500 volunteers were trained to teach English as a second language, tutor children and youth, and assist adult non-readers.

Church Extension – Through Praxis, 47 men and 31 women from six Southern Baptist seminaries participated in church planting during the summer.

Special Ministries – International ministries were conducted at the United Nations, in Washington, D.C., in 40 port cities, and among international students.

Prayer and Spiritual Awakening – The Home Missions Intercessory Prayerline received 82,000 calls in 1994.

Christian Life Commission Report

The Christian Life Commission's assignment from the Southern Baptist Convention is one of Christian moral development by emphasizing the application of the principles of the Christian faith in personal and public life. Effort is made to provide Christian ethics services to other Southern Baptist agencies, state conventions, associations, churches and individuals to enable Southern Baptists to deal with the serious moral challenges of our time. The Commission encourages the formation of Christian Life Committees at all levels of Southern Baptist life beginning with the local church.

Through its Washington, D.C. office, open since 1987, the Commission has a moral leadership role in the nation's capital. The staff in Washington includes the Director of Government Relations, the Director of Media and News Information-Baptist Press Reporter and the General Counsel-Director of Christian Citizenship and Religious Liberty Concerns. The Washington staff has sought to fulfill the program statement assigned to the Commission to "bring to bear Baptist statements, convictions and insights in Christian ethics and religious liberty upon important policy making groups"; and to "present Southern Baptist insight for consideration in the planning of federal government programs on children and youth, aging, housing, employment, public health and other matters pertaining to social welfare."

During the past year, the Washington and Nashville staffs have worked diligently to share with Congress and the White House convictions and concerns of Southern Baptists. The staff has corresponded and met with members of both the legislative and executive branches of the federal government on areas of Southern Baptist concern. *Salt*, a newsletter, is published six times a year to keep Southern Baptists informed on public policy and issues in the administrative, judicial and legislative branches of government. Abortion, drug abuse and pornography are among the issues in which the staff has been involved in the past year. The continuing concern about serious threats to religious liberty posed by recent Supreme Court decisions has been the basis for the Commission to address both legislature and judicial concerns. The Commission continued filing *amicus curiae*, "friend of the court," briefs in cases involving areas within its program statement. The Commission continued to call Southern Baptists to a greater understanding of the truth that our faith calls us to informed participation in our nation's political process.

The 1995 annual national seminar, entitled "The War of the Worlds: The Struggle for America's Soul," was held at Southeastern Baptist Theological Seminary in Wake Forest, North Carolina, February 27-March 1, 1995. The seminar program combined interpretive biblical themes with addresses on subject such as "What are World Views and Why They are Important?," "The Issue is Truth," "The Struggle for the Right to Be Involved," "The Struggle for the Inner City," "The Struggle for the Media" and "The Battle for Human Life." The seminar also included a discussion of the public policy aspects of critical issues impacting the world.

The Commission has been extremely active in the area of the sanctity of human life by publishing a wide range of materials to assist Southern Baptists in celebrating Sanctity of Human Life Sunday in January. The video, entitled "The Sanctity of Human Life," continues to be received enthusiastically by Southern Baptists. The Commission hosted a consultation on violence at abortion clinics in September 1994, which resulted in the publication, "Why Killing Abortion Doctors is Wrong: The Nashville Statement of Conscience," which has generated considerable interest among Southern Baptists as well as news media.

Commission staff also served as resource persons in events held in numerous state conventions as well as for other Southern Baptist agencies and entities. The Commission produced a video on race relations and continues to assist Southern Baptists in the observance of Race Relations Sunday. The Commission also continued its assignment from the Convention for education and action on the hunger issue. The film, "What Shall We Do in a Hungry World?," continued to be used significantly to heighten Southern Baptists' awareness on this issue.

The Commission produced a gambling video, entitled "Gambling: The Hidden Realities," which has been widely distributed by state convention offices to associations in several states. The staff has been very active in providing information to state conventions, associations and local churches on the gambling issue. A new video was produced, entitled "Bites Like a Snake: Students Speak on Alcohol and Drugs," that seeks to help churches warn young people about the dangers of alcohol and tobacco.

The circulation of *Light*, the bi-monthly moral concerns journal of the Commission, and *Salt*, the bi-monthly newsletter produced in the Washington, D.C. office, continues to experience rapid growth. Circulation is currently around 91,150 for each.

The Commission plans to undertake numerous initiatives during the years ahead. These include: expanding the Nashville and Washington, D.C. staffs to increase its ability to fulfill its program statement; sponsoring seminars on the challenging moral and social issues of our time; implementing every means possible to inform, challenge and energize Southern Baptists to become involved with the vast array of moral and social issues confronting our society; and updating, revising and expanding literature and audio/video material available to Southern Baptists on moral and social issues.

In reviewing its program activities for the past year, the Commission remains encouraged and faces the future with faith and hope in furthering the cause of applied Christianity among Southern Baptists. The trustees and staff solicit the prayers of Southern Baptists as it seeks to discern the Lord's will and work in serving Southern Baptists.

The Commission is committed to a complete Gospel for the complete person. It rejects any inherent conflict between the social and salvation aspects of the Gospel. It was never intended that there should be a dichotomy between the two. The Commission believes it is wrong to seek to feed the hungry and not tell them about the bread of life. It is shameful to seek to clothe the naked and not tell them about the whole armor of God. It is a disgrace to seek to house the homeless and not tell them that in our Father's house are many mansions. It is also less than complete obedience or full discipleship to proclaim salvation and not also seek to minister to people's earthly needs.
